"(2) In carrying out the demonstration projects, the Secretary shall ensure the following:

"(A) The third sentence of section 3(i), subsections (b) and (d)(2) of section 6, the first sentence of section 6(c), paragraphs (1)(B), (3), (4), and (9) of section 11(e), and all applicable provi-

"(F) Uninterrupted food stamp assistance shall be provided to households who become ineligible to receive the assistance under this subsection but are determined otherwise eligible for food stamp assistance and to households receiving food stamp assistance other than under this subsection who are determined eligible under this subsection.

"(2) In establishing the wetland conservation easements on land that is considered to be cropland as of the date of enactment of this subsection, the Secretary shall avoid, to the extent practicable, an adverse impact on the productivity of the croplands, as provided in this subsection.

"(3) In order to avoid the adverse impact, the Secretary shall—

"(A) not establish the wetland conservation easements with respect to wetlands that were converted prior to December 23, 1985, and that have been in cropland use, as determined by the Secretary, in excess of 10 percent of the existing cropland available for production of agricultural commodities on the particular parcel of inventoried property;

All haying and grazing practices on the wetlands (including the timing and intensity of haying and grazing) shall conform to forage management standards designed to protect wetlands.

"(6) The Secretary shall provide prior written notification to a borrower considering preservation loan servicing that a wetlands conservation easement may be placed on land for which the borrower is negotiating a lease option.

"(7) The appraised value of the farm shall reflect the value of the land due to the placement of wetland conservation easements.

Any such order shall be national in scope, and not more than one order shall be in effect under this subtitle at any one time.

(b) PROCEDURE.—

7 USC 6304.

SEC. 1969. REQUIRED TERMS IN ORDERS.

(a) IN GENERAL.—Any order issued under this subtitle shall contain the terms and conditions specified in this section.

(b) ESTABLISHMENT AND MEMBERSHIP OF THE UNITED SOYBEAN BOARD.—

(1) IN GENERAL.—The order shall provide for the establishment of, and appointment of members to, a United Soybean Board to administer the order. Members of the Board shall be soybean producers appointed by the Secretary, on a geographic basis, from State or combined units, as provided in this subsection. The cumulative number of seats on the Board shall be the total number of seats to which all the units are entitled.

(2) SEATS.—The Secretary shall establish State units and combined units and seats on the Board for such units, as follows:

(A) STATE UNITS.—Except as provided in subparagraph (B), each State shall be considered as a unit.

(B) COMBINED UNITS.—A State in which average annual soybean production is less than 3,000,000 bushels shall be grouped with other States into a combined unit. To the extent practicable, each State with average annual soybean production of less than 3,000,000 bushels shall be grouped with other States with average annual soybean production of less than 3,000,000 bushels into a combined unit, in a manner prescribed in the order, and each combined unit shall consist of geographically contiguous States. To the extent practicable, each combined unit shall have an average annual production of soybeans of at least 3,000,000 bushels.

(C) NUMBER OF SEATS PER UNIT.—Subject to subparagraph (F), each unit, as established under subparagraph (A) or (B)—

(i) if its average annual soybean production is less than 15,000,000 bushels, shall be entitled to one seat on the Board;

(ii) if its average annual soybean production is 15,000,000 bushels or more but less than 70,000,000 bushels, shall be entitled to 2 seats on the Board;

(iii) if its average annual soybean production is 70,000,000 bushels or more but less than 200,000,000 bushels, shall be entitled to 3 seats on the Board; and

(iv) if its average annual soybean production is 200,000,000 bushels or more, shall be entitled to 4 seats on the Board.

(D) DETERMINATION OF AVERAGE ANNUAL SOYBEAN PRODUCTION.—For purposes of subparagraphs (A), (B), (C),

and (F), the Secretary shall determine average annual soybean production applicable to a crop year by using the average of the 5 previous crops of soybeans, excluding the crop in which production was the highest and the crop in which production was the lowest.

(E) REAPPORTIONMENT OF SEATS.—At the end of each 3 year period beginning with the 3 year period starting on the effective date of the order, the Secretary, if necessary, shall adjust any unit to conform with subparagraphs (A) and (B). If the Secretary makes such an adjustment, the Secretary shall reapportion the seats on the Board to conform with subparagraph (C) and any modifications made under subparagraph (F). If payment of refunds following the initial referendum conducted under section 1970(a) is authorized by producers, in making such adjustments, the Secretary shall exclude, from each State's annual soybean production, those bushels of soybeans on which such refunds are paid.

(F) ADJUSTMENT OF LEVELS OF PRODUCTION.—At the end of each 3 year period beginning with the 3 year period starting on the effective date of the order, the Board may recommend to the Secretary, to the extent it determines appropriate, changes in the levels of production used in subparagraphs (A), (B), and (C) to determine per-unit representation on the Board. The Secretary may amend the order to make such changes in levels of production used to determine per-unit representation. Any such amendment to the order shall not be subject to a referendum of producers. A unit may not, as a result of any modification under this subparagraph, lose Board seats to which it is entitled at the time the order is initially issued unless its average annual production, as determined under subparagraph (D), declines below the levels required for representation, as specified in subparagraphs (A), (B), and (C).

(3) NOMINATIONS.—

(A) IN GENERAL.—The Secretary shall appoint soybean producers to seats established under paragraph (2) from nominations submitted by each unit. Each unit shall submit to the Secretary at least two nominations for each appointment to the Board to which the unit is entitled, as determined under paragraph (2).

(i) INITIALLY-ESTABLISHED BOARD.—

(I) STATE UNITS.—The Secretary shall solicit nominations for each seat on the initially-established Board to which a State unit is entitled from the State soybean board in the State that submits satisfactory evidence to the Secretary that such board meets the criteria of subparagraph (A) or (B) of section 1967(14). If no such organization exists in the unit, the Secretary shall solicit nominations for appointments in such manner as the Secretary determines appropriate.

(II) COMBINED UNITS.—The Secretary shall solicit nominations for each seat on the initially-established Board to which a combined unit is entitled in such manner as the Secretary determines appro-

(ii) SUBSEQUENT APPOINTMENT.—

(I) STATE UNITS.—Nominations for each subsequent appointment to a seat on the Board to which a State unit is entitled shall be made by the qualified State soybean board in the unit. If no such organization exists in the unit, the Secretary shall solicit nominations for such appointment in such manner as the Secretary determines appropriate.

(II) COMBINED UNITS.—The Secretary shall solicit nominations for each subsequent appointment to the Board to which a combined unit is entitled in such manner as the Secretary determines appropriate, taking into consideration the recommendations of any qualified State soybean board operating in the unit.

(iii) REJECTION.—The Secretary may reject any nomination submitted by a unit under this paragraph. If there are insufficient nominations from which to appoint members to the Board as a result of the Secretary rejecting the nominations submitted by a unit, the unit shall submit additional nominations, as provided in this paragraph.

(4) TERMS.—Each appointment to the Board shall be for a term of 3 years, except that appointments to the initially-established Board shall be proportionately for 1-year, 2-year, and 3-year terms. No person may serve more than three consecutive 3-year terms.

(5) COMPENSATION.—Board members shall serve without compensation, but shall be reimbursed for their reasonable expenses incurred in performing their duties as members of the Board.

(A) APPOINTMENT.—Notwithstanding paragraphs (1) through (5), the Secretary, under procedures established by the Secretary, shall appoint to the initially-established Board up to three temporary members to serve in addition to the members appointed as otherwise provided in this subsection, as the Secretary determines appropriate for transition purposes under the criteria set out in subparagraph (B). Each such temporary member shall be appointed for a single term not to exceed 3 years.

(B) REPRESENTATION OF CERTAIN STATES.—The Secretary shall make temporary appointments to the initially-established Board to ensure, to the extent practicable, that each State with a State soybean board that, prior to the date of enactment of this Act, was contributing State soybean promotion and research assessment funds to national soybean promotion and research efforts has representation on the initially-established Board that reflects the relative contributions of such State to the national soybean promotion and research effort.

(7) MEETINGS.—The order shall provide for at least one meeting of the Board annually and specify the circumstances under which additional special meetings of the Board may be held.

(c) POWERS AND DUTIES OF THE BOARD.—The order shall define the powers and duties of the Board and shall include the power and duty—

(iii) DIVISION OF VOTES WITHIN UNITS.—A unit's total votes under clause (i) or (ii) shall be divided equally among all the members present and voting representing that unit. The procedures established by the order shall provide for the equitable disposition of fractional votes assigned to a member under such division of a unit's vote.

(3) MOTIONS.—

(A) IN GENERAL.—Except as provided in subparagraph (B), a motion shall carry if approved by a simple majority of members of the Board casting votes.

(B) ROLL CALL VOTES.—Any member of the Board may call for a roll call vote on any motion. Except as otherwise provided in the bylaws adopted by the Board, whenever a roll call vote is conducted, the motion shall carry only if it is approved by a simple majority of all votes cast and a simple majority of all units voting (with the vote of each unit determined by a simple majority of all votes cast by members in that unit).

(4) COMMITTEE VOTES.—In any vote conducted by a committee of the Board, each member of the committee shall have one vote.

(5) PROXIES.—A member may not cast votes by proxy.

(e) BUDGETS.—

(B) DIRECT PROCESSING.—The order shall provide that any person processing soybeans of that person's own production and marketing such soybeans or soybean products made from such soybeans shall remit to the Board or the qualified State soybean board, in the manner prescribed by the order, an assessment established at a rate equivalent to the rate provided for in subparagraph (A)(ii).

(2) REFUNDS.—

(A) REFUNDS PRIOR TO INITIAL REFERENDUM.—

(i) IN GENERAL.—The order shall provide that, during the period prior to the approval of the continuation of the initial order in the referendum provided for in section 1970(a), as determined by the Secretary, each producer shall have the right to demand and receive from the Board a refund of any assessment collected from such producer if—

(C) SUBMISSION OF REFUND DEMANDS.—

(i) IN GENERAL.—In each State in which a qualified State soybean board collects assessments, as provided

in paragraph (1)(A)(i), producers shall submit demands for refunds of assessments to the qualified State soybean board. Such board shall provide notice to producers, in a manner prescribed by the Board, of their right to such refunds, and shall process such submissions under procedures established by State law applicable to refunds of assessments on soybeans, except that if no refunds are allowed under State law, such submissions shall be processed under procedures established under this paragraph.

(ii) NO QUALIFIED STATE SOYBEAN BOARD.—In each State in which there is no qualified State soybean board, producers shall submit demands for refunds of assessments directly to the Board.

(D) TIME LIMIT FOR MAKING REFUND.—Subject to subparagraph (C)(i), each refund to a producer of an assessment under this paragraph shall be made as soon as practicable, but in no event more than 60 days, after submission of proof satisfactory to the qualified State soybean board or the Board that the producer paid the assessment for which refund is demanded.

(E) ORDER NOT FAVORED.—If the Secretary determines that producers do not favor the continuation of the order in the referendum provided for in section 1970(a), refunds shall be made under this paragraph on collected assessments until such collections are terminated, as provided in section 1970(a).

(i) IN GENERAL.—The order shall contain provisions relating to refunds after the approval of the order in the initial referendum under section 1970(a) as required in this subparagraph.

(ii) AVAILABILITY.—Effective for the period beginning on the date the Secretary determines the result of the initial referendum under section 1970(a) and ending on a date (not later than 18 months thereafter) established by the Secretary, the qualified State soybean board and, where no qualified State soybean board exists, the Board shall make refunds available to soybean producers at the end of the fiscal year from escrowed funds, as provided for in clause (vii). Such refunds shall be made available, under the procedures specified in subparagraphs (A) through (D) to the extent not inconsistent with this subparagraph, to producers who have requested refunds during such period.

(iii) POLL.—Not later than the end of the period provided for in clause (ii), the Secretary shall conduct a poll of soybean producers, using the procedures provided for in section 1970(b)(3), to determine if producers support the conduct of a referendum on the continuance of the payment of refunds under the order.

(iv) REFERENDUM.—If the Secretary determines, based on the poll conducted under clause (iii), that the conduct of a referendum is supported by at least 20 percent of the producers (not in excess of one-fifth of which may be producers in any one State) who, during a representative period, have been engaged in the

production of soybeans, the Secretary shall conduct a referendum among all such producers for the purpose of determining whether such producers favor the continuation of the payment of refunds under the order. Such referendum shall be conducted, under the procedures provided for in section 1970, not later than 1 year after the Secretary determines, based on the poll, that the referendum is required.

(v) CONTINUED REFUNDS.—If the Secretary conducts a referendum under clause (iv), the qualified State soybean board and, where no qualified State soybean board exists, the Board shall continue to make refunds available to producers as provided for in clause (ii) during the period prior to the conduct of the referendum, which shall be payable at the end of the period from the escrowed funds, as provided in clause (vii).

(vi) CONTINUATION OR CESSATION OF REFUNDS.—If the Secretary determines, in the referendum conducted under clause (iv), that continuation of the payment of refunds is favored by a majority of the producers voting in such referendum, the qualified State soybean board and, where no qualified State soybean board exists, the Board shall continue to make refunds available to producers as provided for in clause (ii) for each 1-year period that follows until such time as soybean producers approve an amendment to the order to eliminate such refunds. Such refunds shall be payable at the end of each such 1-year period from escrowed funds, as provided in clause (vii). If the Secretary determines in the referendum that continuation of such refunds is not favored by a majority of producers voting in the referendum, the right to such refunds shall cease immediately.

(vii) ESCROW ACCOUNTS.—

(I) ESTABLISHMENT.—The qualified State soybean board and, for producers in States where no qualified State soybean board exists, the Board shall establish escrow accounts to be used to pay refunds under clause (ii) and, if necessary, clauses (v) and (vi).

(III) DEPOSITS.—The qualified State soybean board and, where no qualified State soybean board exists, the Board shall deposit into its escrow account for refunds under clause (ii), (v), or (vi), as appropriate, 10 percent of the total assessment collected by the qualified State soybean board and, where no qualified State soybean board exists, the Board (including the assessment provided under paragraph (2) and contributions by producers to

qualified State soybean boards under paragraph (4)), during the time period involved.

(IV) REFUNDS MADE FROM ESCROW ACCOUNT.—Refunds requested by producers from a State under clause (ii) (or if refunds are available under clause (v) or (vi)) during the time period involved shall be made from the escrow account that is applicable to that clause for such State.

(V) PRORATION.—If the funds deposited in a State account established under subclause (I) for purposes described under clauses (ii), (v), and (vi) are not sufficient to honor all requests for refunds made by producers from that State during the time period involved, the qualified State soybean board and, where no qualified State soybean board exists, the Board shall prorate the amount of such refunds from the State's account among all producers from that State that requests refunds.

(VI) SURPLUS FUNDS.—Any funds not refunded to producers in a State under this clause shall be divided equally between the Board and the qualified State soybean board of such State. Such funds shall be used to carry out programs under this subtitle.

(VII) REFUND PERIOD.—In applying this clause to refunds under clause (vi), each annual refund period shall be treated separately.

(3) USE.—The assessments (net of any refunds under paragraph (2)) shall be used for—

(A) payment of the expenses incurred in implementation and administration of the order;

(B) the establishment of a reasonable reserve; and

(C) reimbursement to the Secretary of administrative costs incurred by the Secretary to implement and administer the order, other than one-half of the cost incurred for the referendum conducted under paragraph (2)(F).

(q) BOOKS AND RECORDS OF FIRST PURCHASERS AND CERTAIN PRODUCERS.—

(1) RECORDKEEPING.—

The order shall exempt small producers processing soybeans of their own production from such recordkeeping and reporting requirements if they are not required to pay assessments under the order.

Subtitle I—Miscellaneous Provisions

SEC. 1999S. PRODUCER RESEARCH AND PROMOTION BOARD ACCOUNTABILITY.

(a) FINDINGS.—Congress finds that—

(1) United States agricultural producers and importers contribute approximately $600,000,000 annually to support agricultural promotion and research, and consumer information relating to food and nutrition, under federally-authorized checkoff programs;

(2) these federally-authorized checkoff programs are self-help efforts that enable the industry members that contribute to these checkoff programs to take an active role in enhancing the marketing of their farm products;

(3) the federally-authorized checkoff programs, while relatively new, have substantially contributed to strengthening markets for the agricultural products covered by the programs;

(4) the authorizing legislation for these agricultural check-off programs provides for the Secretary of Agriculture to appoint boards or councils comprised of producers and importers to assist the Secretary in administering the programs under the Secretary's oversight;

(5) the boards and councils that participate in administering the federally-authorized checkoff programs, in each instance, have important responsibilities under, and make substantial contributions to the effective management of, the programs while serving as a valuable link between the industry members that are funding the promotion, research, and information activities under the programs and the Department of Agriculture;

(6) the producers and importers that pay assessments to support the programs must have confidence in, and strongly support, the checkoff programs if these programs are to continue to succeed; and

(7) the checkoff programs cannot operate efficiently and effectively, nor can producer confidence and support for these programs be maintained, unless the boards and councils faithfully and diligently perform the functions assigned to them under the authorizing legislation.

(b) SENSE OF THE CONGRESS.—It is the sense of Congress that, to ensure the continued success of the federally-authorized checkoff programs, boards or councils that participate in the administration of the checkoff programs should take care to faithfully and diligently perform the functions assigned to them under the authorizing legislation and otherwise meet their crucial program responsibilities. It further is the sense of Congress that each of these boards and councils, in carrying out the responsibilities assigned to it, is accountable to the Secretary of Agriculture, Congress, and the industry contributing funds for the checkoff program involved, and that each currently operational checkoff board or council should review its charter and activities to ensure that its responsibilities and duties have not been inappropriately delegated or otherwise relinquished to another organization.

(2) LIMITATIONS.—

(A) ACREAGE IN EXCESS OF PERMITTED ACREAGE.—Payments provided under paragraph (1) for a crop of a commodity may not be made available to producers on a farm with respect to any acreage in excess of the permitted acreage for the farm for the commodity.

(B) CROP INSURANCE.—Payments provided under paragraph (1) for a crop of a commodity may not be made available to producers on a farm unless such producers enter into an agreement to obtain multiperil crop insurance, to the extent required under section 2247.

(3) REDUCTION IN DEFICIENCY PAYMENTS.—The total quantity of a crop of a commodity on which deficiency payments otherwise would be payable to producers on a farm under the Agricultural Act of 1949 shall be reduced by the quantity on which a

payment is made to the producers for the crop under paragraph (1).

(4) ELECTION OF PAYMENTS.—

(A) APPLICATION OF PARAGRAPH.—This paragraph shall apply, effective only for the 1990 crops of wheat, feed grains, upland cotton, and rice, to producers on a farm who—

(2) FORGIVENESS OF REFUND REQUIREMENT.—

(A) IN GENERAL.—Subject to subparagraph (B), if because of damaging weather or related condition in 1989 or 1990 the total quantity of the 1990 crop of the commodity that the producers are able to harvest on the farm is less than the result of multiplying the farm program payment yield established by the Secretary for such crop by the sum of the acreage planted for harvest and the acreage prevented from being planted (because of a natural disaster, as determined by the Secretary) for such crop (hereinafter in this section referred to as the "qualifying amount"), the producers shall not be required to refund any advance deficiency payment made to the producers for such crop under section 107C of the Agricultural Act of 1949 (7 U.S.C. 1445b-2) with respect to that portion of the deficiency in production that does not exceed—

(i) in the case of producers who obtained crop insurance for the 1990 crop of the commodity under the Federal Crop Insurance Act, 35 percent of the qualifying amount; and

(ii) in the case of other producers, 40 percent of the qualifying amount.

(B) CROP INSURANCE.—Producers on a farm shall not be eligible for the forgiveness provided for under subparagraph (A), unless such producers enter into an agreement to obtain multiperil crop insurance, to the extent required under section 2247.

(3) ELECTION FOR NONRECIPIENTS.—The Secretary shall allow producers on a farm who elected, prior to the date of enactment of this Act, not to receive advance deficiency payments made available for the 1990 crop under section 107C of the Agricultural Act of 1949, to elect (within 30 days after the date of the

enactment of this Act) whether to receive such advance deficiency payments.

(4) DATE OF REFUND FOR PAYMENTS.—Effective only for the 1990 crops of wheat, feed grains, upland cotton, and rice, if the Secretary determines that any portion of the advance deficiency payment made to producers for the crop under section 107C of the Agricultural Act of 1949 must be refunded, such refund shall not be required prior to July 31, 1991, for that portion of the crop for which a disaster payment is made under subsection (a).

SEC. 2242. PAYMENTS TO PROGRAM NONPARTICIPANTS FOR TARGET PRICE COMMODITIES.

(a) DISASTER PAYMENTS.—

(1) IN GENERAL.—Effective only for producers on a farm who elected not to participate in the production adjustment program established under the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.) for the 1990 crop of wheat, feed grains, upland cotton, extra long staple cotton, or rice, if the Secretary of Agriculture determines that because of damaging weather or related condition in 1989 or 1990, the total quantity of the 1990 crop of the commodity that such producers are able to harvest on the farm is less than the result of multiplying 40 percent (or in the case of producers who obtained crop insurance, 35 percent) of the county average yield established by the Secretary for such crop by the sum of acreage planted for harvest and the acreage for which prevented planted credit is approved by the Secretary for such crop under subsection (b), the Secretary shall make a disaster payment available to such producers.

(2) PAYMENT RATE.—The payment shall be made to the producers at a rate equal to 65 percent of the basic county loan rate (or a comparable price if there is no current basic county loan rate) for the crop, as determined by the Secretary, for any deficiency in production greater than 40 percent for the crop (or in the case of producers who obtained crop insurance, 35 percent).

(b) PREVENTED PLANTING CREDIT.—

(1) IN GENERAL.—The Secretary shall provide prevented planting credit under subsection (a) with respect to acreage that producers on a farm were prevented from planting to the 1990 crop of the commodity for harvest because of damaging weather or related condition in 1989 or 1990, as determined by the Secretary.

(2) MAXIMUM ACREAGE.—Such acreage may not exceed the greater of—

(A) a quantity equal to the acreage on the farm planted (or prevented from being planted due to a natural disaster or other condition beyond the control of the producers) to the commodity for harvest in 1989 minus acreage actually planted to the commodity for harvest in 1990; or

(B) a quantity equal to the average of the acreage on the farm planted (or prevented from being planted due to a natural disaster or other condition beyond the control of the producers) to the commodity for harvest in 1987, 1988, and 1989 minus acreage actually planted to the commodity for harvest in 1990.

(C) for sugar beets and sugarcane, a level determined by the Secretary to be fair and reasonable in relation to the level of price support established for the 1990 crops of sugar beets and sugarcane, and that, insofar as is practicable, shall reflect no less return to the producer than under the 1990 price support levels.

(b) PREVENTED PLANTING CREDIT.—

(1) IN GENERAL.—The Secretary shall provide prevented planting credit under subsection (a) with respect to acreage that producers on a farm were prevented from planting to the 1990 crop of the commodity for harvest because of damaging weather or related condition in 1989 or 1990, as determined by the Secretary.

(2) MAXIMUM ACREAGE.—Such acreage may not exceed the greater of—

(A) a quantity equal to the acreage on the farm planted (or prevented from being planted due to a natural disaster or other condition beyond the control of the producers) to the commodity for harvest in 1989 minus acreage actually planted to harvest in 1990; or

(3) CALCULATION OF PAYMENTS FOR DIFFERENT VARIETIES.—

Regulations.

(B) DIFFERENT VARIETIES.—For purposes of determining the payment levels on a crop-by-crop basis, the Secretary shall consider as separate crops, and develop separate payment levels insofar as is practicable for, different varieties of the same commodity, and commodities for which there is a significant difference in the economic value in the market.

(C) DOUBLE CROPPING.—

(i) TREATED SEPARATELY.—In the case of a crop that is historically double cropped (including two crops of the same commodity) by the producers on a farm, the Secretary shall treat each cropping separately for purposes of determining whether the crop was affected by damaging weather or related conditions and the total quantity of the crop that the producers are able to harvest.

(ii) APPLICATION OF PARAGRAPH.—This paragraph shall not apply in the case of a replacement crop.

(4) EXCLUSIONS FROM HARVESTED QUANTITIES.—For purposes of determining the total quantity of the 1990 nonprogram crop of the commodity that the producers on a farm are able to harvest under paragraph (1), the Secretary shall exclude—

(A) commodities that cannot be sold in normal commercial channels of trade; and

(B) dockage, including husks and shells, if such dockage is excluded in determining yields under subsection (d)(2).

(b) PREVENTED PLANTING CREDIT.—

(1) IN GENERAL.—The Secretary shall provide prevented planting credit under subsection (a) with respect to acreage that producers on a farm were prevented from planting to the 1990 crop of the commodity for harvest because of damaging weather

or related condition in 1989 or 1990, as determined by the Secretary.

(2) MAXIMUM ACREAGE.—Such acreage may not exceed the greater of—

(2) FARM YIELDS.—

(A) ESTABLISHMENT.—The Commodity Credit Corporation shall establish disaster program farm yields for nonprogram crops to carry out this section.

(B) PROVEN YIELDS AVAILABLE.—If the producers on a farm can provide satisfactory evidence to the Commodity Credit Corporation of actual crop yields on the farm for at least 1 of the immediately preceding 3 crop years, the yield for the farm shall be based on such proven yield.

(C) PROVEN YIELDS NOT AVAILABLE.—If such data do not exist for any of the 3 preceding crop years, the Commodity Credit Corporation shall establish a yield for the farm by using a county average yield for the commodity, or by using other data available to it.

(D) COUNTY AVERAGE YIELDS.—In establishing county average yields for nonprogram crops, the Commodity Credit Corporation shall use the best available information concerning yields. Such information may include extension service records, credible nongovernmental studies, and yields in similar counties.

(3) RESPONSIBILITY OF PRODUCERS.—It shall be the responsibility of the producers of nonprogram crops to provide satisfactory evidence of 1990 crop losses resulting from damaging weather or

related condition in 1989 or 1990 in order for such producers to obtain disaster payments under this section.

SEC. 2245. CROP QUALITY REDUCTION DISASTER PAYMENTS.

(a) IN GENERAL.—To ensure that all producers of 1990 crops covered under sections 2241 through 2244 are treated equitably, the Secretary of Agriculture may make additional disaster payments to producers of such crops who suffer losses resulting from the reduced quality of such crops caused by damaging weather or related condition in 1989 or 1990, as determined by the Secretary.

(b) ELIGIBLE PRODUCERS.—If the Secretary determines to make crop quality disaster payments available to producers under subsection (a), producers on a farm of a crop described in subsection (a) shall be eligible to receive reduced quality disaster payments only if such producers incur a deficiency in production of not less than 35 percent and not more than 75 percent for such crop (as determined under section 2241, 2242, 2243, or 2244, as appropriate).

(c) MAXIMUM PAYMENT RATE.—The Secretary shall establish the reduced quality disaster payment rate, except that such rate shall not exceed 10 percent, as determined by the Secretary, of—

In the case of producers on a farm who obtained crop insurance for the 1990 crop of a commodity under the Federal Crop Insurance Act (7 U.S.C. 1501 et seq.), the Secretary of Agriculture shall reduce the amount of payments made available under this chapter for such crop to the extent that the amount determined by adding the net amount of crop insurance indemnity payment (gross indemnity less premium paid) received by such producers for the deficiency in the production of the crop and the disaster payment determined in accordance with this chapter for such crop exceeds the amount determined by multiplying—

(1) 100 percent of the yield used for the calculation of disaster payments made under this chapter for such crop; by

(2) the sum of the acreage of such crop planted to harvest and the acreage for which prevented planting credit is approved by the Secretary (or, in the case of disaster payments under section 2241, the eligible acreage established under sections 2241(a)(1) and 2241(a)(2)(A)); by

(3)(A) in the case of producers who participated in a production adjustment program for the 1990 crop of wheat, feed grains,

upland cotton, extra long staple cotton, or rice, the established price for the 1990 crop of the commodity;

(B) in the case of producers who did not participate in a production adjustment program for the 1990 crop of wheat, feed grains, upland cotton, extra long staple cotton, or rice, the basic county loan rate (or a comparable price, as determined by the Secretary, if there is no current basic county loan rate) for the 1990 crop of the commodity;

(C) in the case of producers of sugar beets, sugarcane, peanuts, or tobacco, the payment level for the commodity established under section 2243(a)(3); and

(D) in the case of producers of soybeans or a nonprogram crop (as defined in section 2244(d)(1)), the simple average price received by producers of the commodity, as determined by the Secretary, during the marketing years for the immediately preceding 5 crops of the commodity, excluding the year in which the average price was the highest and the year in which the average price was the lowest in such period.

(b) LIMITATIONS.—Producers on a farm shall not be required to agree to obtain crop insurance under subsection (a) for a commodity—

(1) unless such producers' deficiency in production, with respect to the crop for which a disaster payment under this chapter otherwise may be made, exceeds 65 percent;

(2) where, or if, crop insurance coverage is not available to the producers for the commodity for which the payment, loan, or forgiveness is sought;

(3) if the producers' annual premium rate for such crop insurance is an amount greater than 125 percent of the average premium rate for insurance on that commodity for the 1990 crop in the county in which the producers are located;

(4) in any case in which the producers' annual premium for such crop insurance is an amount greater than 25 percent of the amount of the payment, loan, or forgiveness sought; or

(5) if the producers can establish by appeal to the county committee established under section 8(b) of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590(b)), or to the county committee established under section 332 of the Consolidated Farm and Rural Development Act (17 U.S.C. 1982), as appropriate, that the purchase of crop insurance would impose an undue financial hardship on such producers and that a waiver of the requirement to obtain crop insurance should, in the discretion of the county committee, be granted.

(3) CEASE AND DESIST ORDERS.—If an eligible entity has not complied with any provision of this chapter, or of any regulation issued pursuant thereto, or is engaging or is about to engage in conduct that constitutes or will constitute a violation of this chapter or such regulation, the Board may order such entity to cease and desist from such conduct. The Board may further order such entity to take such action or to refrain from such action as the Board determines necessary to ensure compliance with this chapter and the regulations issued thereunder.

(6) PETITION TO MODIFY OR SET ASIDE ORDER; FILING, TIME AND PLACE, ADMINISTRATION TO SUBMIT RECORD; ACTION OF COURT; REVIEW.—

(A) IN GENERAL.—An order issued by the Board under this subsection shall be final and conclusive unless not later than 30 days after the service thereof the eligible entity appeals to the United States Court of Appeals for the circuit in which such corporation has its principal place of business by filing with the clerk of such court a petition

praying that the order of the Board be set aside or modified in the manner stated in the petition.

(B) FILING.—

(i) LEAVE OF COURT.—After the expiration of the 30-day period referred to in subparagraph (A), a petition may be filed only by leave of court on a showing of reasonable grounds for failure to file the petition prior to the expiration of such period.

(ii) CERTIFICATION.—The clerk of the court shall, on filing, cause a copy of the petition to be delivered to the Board and the Board shall certify and file in the court a transcript of the record on which the order was entered. If prior to the filing of such record the Board amends or sets aside its order, in whole or in part, the petitioner may amend the petition within such time as the court may determine, after providing notice to the Board.

(C) STAY OR SUSPENSION OF ORDER.—The filing of a petition for review under this paragraph shall not of itself stay or suspend the operation of the order of the Board, but the court of appeals in its discretion may restrain or suspend, in whole or in part, the operation of the order pending the final hearing and determination of the petition.

(D) ACTION BY COURT.—The court may affirm, modify, or set aside the order of the Board.

(E) ADDITIONAL EVIDENCE.—

(7) ENFORCEMENT OF ORDER.—If the entity against which or against whom an order is issued under this subsection fails to obey the order, the Board may apply to the United States Court of Appeals for the circuit where the entity has its principal place of business, for the enforcement of the order, and shall file a transcript of the record on which the order complained of was entered. On the filing of the application, the court shall cause notice thereof to be served on the entity. The evidence to be considered, the procedure to be followed, and the jurisdiction of

the court shall be the same as is provided in paragraph (6) for applications to set aside or modify orders.

(b) INVESTIGATIONS AND EXAMINATIONS.—

(1) AUTHORITY.—

(A) IN GENERAL.—The Board may conduct such investigations as the Board considers necessary to determine whether an eligible entity has engaged in any conduct that constitutes or will constitute a violation of any provision of this chapter, of any regulation issued under this chapter, or of any order issued under this section.

(B) FILING OF STATEMENTS.—The Board shall permit any individual to file a statement with the Board in writing, under oath, or otherwise as the Board shall determine, as to all the facts and circumstances concerning the matter to be investigated.

(E) CONTEMPT.—A failure to obey an order of the court under this subsection shall be punishable by such court as a contempt thereof. All process in any such case may be served in the judicial district where such individual is an inhabitant or wherever such individual may be found.

(3) EXAMINATIONS.—Each eligible entity shall be examined and audited at least once every 2 years, under procedures established by the Board, to determine whether or not such entity has been operated in a manner consistent with this chapter and in an otherwise lawful manner, except that the Board may defer the examination for not more than 1 year if, in

its discretion, the Board determines that such a deferral would be appropriate based on the prior operating experience of the entity, the contents and results of the last examination of the entity, and the management expertise of the entity.

(c) INJUNCTIONS OR OTHER ORDERS.—

(1) GROUNDS AND JURISDICTION OF COURT.—If, in the judgment of the Board, an eligible entity has engaged or is about to engage in conduct that constitutes or will constitute a violation of any provision of this chapter, of any regulation under this chapter, or of any order issued under this section, the Board may apply to the proper district court of the United States or a United States court located in any jurisdiction subject to the laws of the United States, for an order enjoining such conduct or enforcing compliance with such provision, rule, regulation, or order. Such court shall have jurisdiction over such conduct and, on a showing by the Board that such entity has engaged in or is about to engage in such conduct, may issue a permanent or temporary injunction, restraining order, or other order without bond.

(2) EQUITY JURISDICTION OF CORPORATION AND ASSETS.—In any proceeding under this section, the court as a court of equity may, to such extent as it considers necessary, declare that such court has exclusive jurisdiction over the entity and the assets thereof, wherever located. The civil penalties provided for in this subsection shall accrue to the United States and may be recovered in a civil action brought by the Board.

(2) EXEMPTION.—At any time before a failure under paragraph (1), and after notice and opportunity for hearing, the Board may through rules and regulations, or on application of an interested party, by order, exempt in whole or in part, any entity from the provisions of paragraph (1), on such terms and conditions and for such period of time as the Board determines necessary and appropriate, if the Board finds that such action is not inconsistent with the public interest or the protection of the Board. The Board may for purposes of this subsection impose any alternative requirements appropriate to the situation.

(f) JURISDICTION AND SERVICE OF PROCESS.—Any suit or action brought under this section by the Board to enforce any liability or duty created by, or to enjoin any violation of, this chapter, or any rule, regulation, or order promulgated thereunder, shall be brought in the district in which the eligible entity maintains its principal office, and process in such cases may be served in any district in which the defendant maintains its principal office or transacts business, or wherever the defendant may be found.

Loan programs.
7 USC 1926-1.

SEC. 2322. WATER AND WASTE FACILITY FINANCING.

(a) AUTHORITY.—The Secretary of Agriculture shall make loans to individuals or entities who are borrowers under title III of the Rural Electrification Act of 1936 (7 U.S.C. 930 et seq.) (in this section referred to as the "borrower"), to the extent of qualifying applications therefor, to enable such borrowers to provide water and waste facility services in areas served by such borrowers.

(b) LIMITATION.—Loans made under subsection (a) shall not, unless otherwise specified by law, exceed an amount equal to 10 percent of the total amount of insured loans under the Rural Electrification Act of 1936 authorized during the fiscal year in which such loan is made for rural electrification and telephone purposes, or $40,000,000, whichever is less. Such limitations shall be in addition to the total amount of insured loans authorized for electrification and telephone purposes.

(c) PRIORITY.—In reviewing applications for loans under this section, the Secretary shall consider—

(1) whether the loan is necessary to enable the communities to be served to comply with applicable Federal or State environmental laws;

(2) whether the individuals residing in the area for which service is proposed, and any local government entities, are in favor of the borrower providing such services in the area;

(3) the income, unemployment, and other characteristics of the area to be served;

(4) the degree of deprivation faced by residents of the area to be served as a result of the lack of safe drinking water, adequate water supplies, sewage treatment and other waste disposal facilities;

(5) the impact that the availability of safe water supplies, waste disposal and similar services would be likely to have on enhancing the prospects for economic growth within the area to be served;

(6) the degree to which a loan that may be provided under this subsection is necessary to ensure that water and waste disposal services are available in the area to be served by such loan at costs that do not exceed those charged in other nearby areas;

(7) the impact of the proposed loan on the retention of the property and service territory of the borrower, or in protecting the security given on outstanding loans provided to the borrower; and

(8) whether the water and waste facility projects described in the application will duplicate any existing facilities, and whether the borrower will coordinate its water and waste facility operations with similar operations in the area, including efforts to achieve economies of scale through joint billing, collection, or other operations with nearby systems in order to reduce

the costs, improve the operations, or otherwise assist such systems.

(d) COORDINATION.—

(1) OTHER PROGRAMS AND REQUIREMENTS.—

(A) OTHER PROGRAMS.—The Secretary shall ensure that the program established under this section is coordinated with the programs authorized and established under section 306 of the Consolidated Farm and Rural Development Act, and will attempt to coordinate the lending activities under this section with similar activities conducted by other entities.

(B) REQUIREMENTS.—Loans made under this section shall be subject, in the same manner as loans made under section 306 of the Consolidated Farm and Rural Development Act, to the provisions of section 306(a)(9) and 306(a)(10) of such Act (which require approvals by State water pollution control agencies), sections 306(a)(19) (A) and (B) of such Act (which include certain requirements in connection with the technical design and choice of materials for water and waste systems), and section 306(b) of such Act (which concerns the curtailment or limitation of service).

(2) ASSIGNMENT OF DUTIES.—The Secretary shall determine whether the Rural Electrification Administration possesses greater expertise, as compared with the Farmers Home Administration, in the areas of utility accounting, utility management and financial analysis, advice and assistance, and other aspects of utility operations and engineering. If the Secretary determines that the Rural Electrification Administration possesses greater expertise in such areas, the Secretary shall require the Rural Electrification Administration to provide technical assistance, and assist in the processing of applications under this section.

(3) PROHIBITION ON LIMITING ACCESS.—The Secretary shall establish rules and procedures that prohibit borrowers from conditioning or limiting access to, or the use of, any water and waste facility services that are financed under this section. Such rules and procedures shall be based on whether individuals or entities in the area for which such facility is proposed receive, or will accept, electric service from such borrower. Regulations.

(e) TERMS.—

(1) IN GENERAL.—Loans made under this section shall be for the same repayment period as insured loans made by the Administrator of the Rural Electrification Administration to such borrowers under title III of the Rural Electrification Act of 1936 (7 U.S.C. 930 et seq.) and interest rates on loans made under this section shall not exceed 5 percent.

(2) INTEREST RATE.—The Secretary shall determine the interest rate to be charged on loans made under this section on the basis of—

(A) ensuring that the cost to consumers for water and waste disposal services financed with loans provided under this section does not, to the extent possible, exceed rates charged in areas that are near the area served by the borrower;

(B) the income and other characteristics of the individuals to be served through the provision of such loans; and

(C) encouraging borrowers to obtain private sector capital, as provided for in subsection (f), to supplement loans made under this section.

(f) PRIVATE SECTOR CAPITAL.—

(1) MATCHING FUNDS REQUIRED.—The Secretary shall not provide assistance to a borrower under this section unless the borrower has made a commitment to the Secretary, and demonstrates to the Secretary that the borrower is able, to invest from its own funds an amount equal to the amount of assistance to be so provided.

(2) INTEREST RATE REDUCTION AUTHORIZED.—In order to facilitate the obtaining of private sector capital, the Secretary may, on a case-by-case basis, reduce the interest rate on loans provided under this section when such reduction is appropriate and will enable the borrower to obtain such private capital.

(g) APPROPRIATIONS.—The Secretary may make loans under this section to the extent provided for in appropriations Acts, except that during any fiscal year the amount of such loans, unless otherwise provided by law, shall not exceed 10 percent of the amount authorized for all insured loans under title III of the Rural Electrification Act of 1936 (7 U.S.C. 930 et seq.), or $40,000,000, whichever amount is less. Funds appropriated under this subsection shall remain available until expended.

(h) REPAYMENT.—Appropriations made for purposes of this section shall be placed in a separate account. Advances on loans made under this section shall be made from such account, and payments on such loans shall be returned to the account for use by the account in making advances on future loans.

(A) 10 percent of the amount of loans made under title III of the Rural Electrification Act of 1936 (7 U.S.C. 930 et seq.) during the fiscal year; or

(B) $40,000,000.

(j) REPLENISHMENT OF WATER AND WASTE FACILITY FUND.—

(1) CALCULATION OF TOTAL AMOUNT OF LOANS.—At the end of each fiscal year the Secretary shall calculate—

(B) the amount of water or waste facility loans made under section 306 of the Consolidated Farm and Rural Development Act to borrowers described in subsection (a) of this section.

(2) TRANSFER OF AMOUNTS.—Notwithstanding subsections (g) and (i), if any amount appropriated under subsection (g) remains available at the end of any fiscal year—

(A) the Secretary shall transfer such available amount to the fund used to make water or waste facility loans under

section 306 of the Consolidated Farm and Rural Development Act, to the extent not exceeding the amount of any loans made under such section 306 to borrowers under the Rural Electrification Act of 1936; and

(B) any such loan to such borrower made under such section 306 shall be—

(i) subject to the terms, conditions and other requirements of section 306A; and

(ii) repaid to the account established by subsection (h).

National Forest-Dependent Rural Communities Economic Diversification Act of 1990.
7 USC 6601 note.

CHAPTER 2—NATIONAL FOREST-DEPENDENT RURAL COMMUNITIES

SEC. 2372. SHORT TITLE.

This chapter may be cited as the "National Forest-Dependent Rural Communities Economic Diversification Act of 1990".

7 USC 6611.

SEC. 2373. FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress finds that—

(1) the economic well-being of rural America is vital to our national growth and prosperity;

(2) the economic well-being of many rural communities depends upon the goods and services that are derived from national forests;

(3) the economies of many of these communities suffer from a lack of industrial and business diversity;

(4) this lack of diversity is particularly serious in communities whose economies are predominantly dependent on timber and recreation resources and where management decisions made on the national forests by Federal and private organizations may disrupt the supply of those resources;

(5) the Forest Service has expertise and resources that could be directed to promote modernization and economic diversification of existing industries and services based on forest resources;

(6) the Forest Service has the technical expertise to provide leadership, in cooperation with other governmental agencies and the private sector, to assist rural communities dependent upon national forest resources to upgrade existing industries and diversify by developing new economic activity in non-forest-related industries; and

(a) SHORT TITLE.—This section may be cited as the "Agricultural Program Reporting and Recordkeeping Improvement Act of 1990".

(b) GOAL.—To the extent practicable, it shall be the goal of this section to bring about, within 3 years following the date of enactment of this Act, a substantial reduction in the volume of documentation, and in the amount of time devoted and the number of visits to Department of Agriculture offices, that are necessary to complete paperwork required of the typical producer participating in programs administered by the Secretary of Agriculture.

(c) REPORTED.—Not later than 240 days after the date of enactment of this Act, the Secretary of Agriculture (hereafter referred to in this section as the "Secretary") shall prepare and submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report containing specific proposals for reducing and simplifying the recordkeeping and other paperwork required of agricultural producers and cooperatives (hereinafter referred to in this section as "producers") who apply for participation in, or in complying with the requirements of—

(A) communicate by voice, data, video, or a combination thereof for the purpose of submitting electronically all of, or a significant portion of, any necessary and appropriate applications, reports, or other documentation; and

For the purpose of preparing the report required by this subsection, the Secretary is authorized to retain the consulting service of at least one private sector business firm having experience and possessing technical expertise in the fields of wide area computer network design, function, installation, and maintenance, integrated video conferencing, and data base management systems.

(2) SCHEDULE OF FEES.—In determining the feasibility and costs of providing a computerized network or system as described in paragraph (1), the Secretary may recommend a schedule of nominal fees which could be charged to producers and others for a pro rata share of a portion of the costs associated with the producers' access to and use of such system. Such fees would partially or entirely defray the costs (after taking into consideration any ongoing savings to the Department of Agriculture) associated with the operation and maintenance and future expansion of such portion of the network or system and its capabilities, but shall not be applied in a manner that would include any reimbursement for existing equipment and capabilities or for the costs associated with the initial establishment of the network or system. The report should also contain recommendations outlining additional categories of users who might be permitted access to the network or system for a fee, and the types of safeguards which would be reasonably necessary to limit file access as may be necessitated in accordance with provisions of the Privacy Act of 1974 (5 U.S.C. 552a) and other relevant authorities governing the disclosure of individual or proprietary information.

In considering such recommendations, the Secretary shall attempt to design and adopt forms and standards that are as brief and succinct as possible, and shall consult with representatives of the Farm Credit System, the commercial banking system, and other significant providers of farm ownership and operating credit.

(2) PAPERWORK REDUCTION.—In order to increase the efficiency of agricultural programs administered by the Secretary and to reduce the burden of paperwork on participants in such programs, the Secretary shall design and adopt, to the maximum extent practicable, one brief application form to be used by applicants for participation in the agricultural programs administered by the Secretary, including, the programs described in subsection (c). The report required by subsection (c) shall include information with regard to the progress made by the Department toward compliance with this subsection, and shall also identify any statutory impediments to the use of such single brief form.

HOME Investment Partnerships Act.

TITLE II—INVESTMENT IN AFFORDABLE HOUSING

42 USC 12701 note.

SEC. 201. SHORT TITLE.

This title may be cited as the "HOME Investment Partnerships Act".

42 USC 12721.

SEC. 202. FINDINGS.

The Congress finds that—

(1) the Nation has not made adequate progress toward the goal of national housing policy, as set out in the Housing Act of 1949 and reaffirmed in the Housing and Urban Development Act of 1968, which would provide decent, safe, sanitary, and affordable living environments for all Americans;

(2) the supply of affordable rental housing is diminishing;

(3) the Tax Reform Act of 1986 removed major tax incentives for the production of affordable rental housing;

(4) the living environments of an increasing number of Americans have deteriorated over the past several years as a result of reductions in Federal assistance to low-income and moderate-income families;

(5) many Americans face the possibility of homelessness unless Federal, State, and local governments work together with the private sector to develop and rehabilitate the housing stock of the Nation to provide decent, safe, sanitary, and affordable housing for very low-income and low-income families;

(6) reliable Federal leadership is needed to achieve an adequate supply of affordable housing for all Americans;

(7) to achieve the goal of national housing policy, there is a need to strengthen nationwide a cost-effective community-based housing partnership designed to—

(A) expand the supply of rental housing that is affordable to very low-income and low-income families,

(B) improve homeownership opportunities for low-income families,

(C) carry out comprehensive housing strategies tailored to local housing market conditions, and

(D) protect the Federal, State, and local investment in low-income housing to ensure affordability of the housing for the remaining useful life of the property;

(8) direct assistance to expand the supply of affordable rental housing should be provided in a way that is more cost-effective and targeted than tax incentives;

(9) much of the Nation's housing system works very well and provides a strong base on which national housing policy should build;

(10) an increasing number of States and local governments have been successful in producing cost-effective low-income and moderate-income housing by working in partnership with the private sector, including nonprofit community development corporations, community action agencies, neighborhood housing services corporations, trade unions, groups sponsored by religious organizations, limited equity cooperatives, and other tenant organizations;

(11) during the 1980's, nonprofit community housing development organizations, despite severe obstacles caused by inadequate funding, have played an increasingly important role in the production and rehabilitation of affordable housing in communities across the Nation;

(12) additional financial resources and technical skills must be made available in local communities if the Nation is to mobilize the capacity of the private sector, including nonprofit community housing development organizations, to provide a more adequate supply of decent, safe, and sanitary housing that is affordable to very low-income, low-income, and moderate-income families and meets the need for large family units and other additional units that are available to very low-income families receiving rental assistance payments from Federal, State, and local governments; and

(13) the long-term success of efforts to provide more affordable housing depends upon tenants and homeowners being fiscally responsible and able managers.

SEC. 203. PURPOSES. 42 USC 12722.

The purposes of this title are—

(1) to expand the supply of decent, safe, sanitary, and affordable housing, with primary attention to rental housing, for very low-income and low-income Americans;

(2) to mobilize and strengthen the abilities of States and units of general local government throughout the United States to design and implement strategies for achieving an adequate supply of decent, safe, sanitary, and affordable housing;

(3) to provide participating jurisdictions, on a coordinated basis, with the various forms of Federal housing assistance, including capital investment, mortgage insurance, rental assistance, and other Federal assistance, needed—

(A) to expand the supply of decent, safe, sanitary, and affordable housing;

(C) to promote the development of partnerships among the Federal Government, States and units of general local government, private industry, and nonprofit organizations able to utilize effectively all available resources to provide more of such housing;

(4) to make housing more affordable for very low-income and low-income families through the use of tenant-based rental assistance;

(5) to develop and refine, on an ongoing basis, a selection of model programs incorporating the most effective methods for providing decent, safe, sanitary, and affordable housing, and accelerate the application of such methods where appropriate throughout the United States to achieve the prudent and efficient use of funds made available under this title;

(6) to expand the capacity of nonprofit community housing development organizations to develop and manage decent, safe, sanitary, and affordable housing;

(7) to ensure that Federal investment produces housing stock that is available and affordable to low-income families for the property's remaining useful life, is appropriate to the neighbor-

hood surroundings, and, wherever appropriate, is mixed income housing;

(8) to increase the investment of private capital and the use of private sector resources in the provision of decent, safe, sanitary, and affordable housing;

(9) to allocate Federal funds for investment in affordable housing among participating jurisdictions by formula allocation;

(10) to leverage those funds insofar as practicable with State and local matching contributions and private investment;

(11) to establish for each participating jurisdiction a HOME Investment Trust Fund with a line of credit for investment in affordable housing, with repayments back to its HOME Investment Trust Fund being made available for reinvestment by the jurisdiction;

(12) to provide credit enhancement for affordable housing by utilizing the capacities of existing agencies and mortgage finance institutions when most efficient and supplementing their activities when appropriate; and

(13) to assist very low-income and low-income families to obtain the skills and knowledge necessary to become responsible homeowners and tenants.

42 USC 12723.

SEC. 204. COORDINATED FEDERAL SUPPORT FOR HOUSING STRATEGIES.

The Secretary shall make assistance under this title available to participating jurisdictions, through the Office of the Assistant Secretary for Housing-FHA Commissioner of the Department of Housing and Urban Development, to the maximum extent practicable, in coordination with mortgage insurance, rental assistance, and other housing assistance appropriate to the efficient and timely completion of activities under this title.

42 USC 12724.

There are authorized to be appropriated to carry out this title $1,000,000,000 for fiscal year 1991, and $2,086,000,000 for fiscal year 1992, of which—

(2) not more than $11,000,000 for fiscal year 1991, and $11,000,000 for fiscal year 1992, shall be for activities in support of State and local housing strategies authorized under subtitle C.

Subtitle A—HOME Investment Partnerships

42 USC 12741.

SEC. 211. AUTHORITY.

The Secretary is authorized to make funds available to participating jurisdictions for investment to increase the number of families

served with decent, safe, sanitary, and affordable housing and expand the long-term supply of affordable housing in accordance with provisions of this subtitle.

SEC. 212. ELIGIBLE USES OF INVESTMENT. 42 USC 12742.

(a) HOUSING USES.—

(1) IN GENERAL.—Funds made available under this subtitle may be used by participating jurisdictions to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition, new construction, reconstruction, or moderate or substantial rehabilitation of affordable housing, including real property acquisition, site improvement, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, or organizations, and to provide tenant-based rental assistance.

(2) PREFERENCE TO REHABILITATION.—A participating jurisdiction shall give preference to rehabilitation of substandard housing unless the jurisdiction determines that—

(A) such rehabilitation is not the most cost effective way to meet the jurisdiction's need to expand the supply of affordable housing; and

(B) the jurisdiction's housing needs cannot be met through rehabilitation of the available stock.

The Secretary shall not restrict a participating jurisdiction's choice of rehabilitation, substantial rehabilitation, new construction, reconstruction, acquisition, or other eligible housing use unless such restriction is explicitly authorized under paragraph (3) of this subsection or under section 223(2).

(3) CONDITIONS FOR NEW CONSTRUCTION.—

(A) IN GENERAL.—Funds made available under this subtitle may be used (at the discretion of a participating jurisdiction) for new construction of housing only if the housing is to serve a local market area that, in the determination of the Secretary has—

(i) an inadequate supply of housing at rentals below the fair market rent established for the area under section 8 of the United States Housing Act of 1937, and

(ii) a severe shortage of substandard residential structures in the jurisdiction that are suitable for rehabilitation as affordable rental housing.

(B) ESTABLISHMENT OF CRITERIA.—The Secretary shall publish—

(i) objective criteria for determining whether a jurisdiction's housing supply is sufficiently inadequate to permit new construction pursuant to subparagraph (A), and

(ii) a list of jurisdictions that in the determination of the Secretary meet those criteria.

The Secretary shall give reasonable opportunity for jurisdictions not designated on the published list to demonstrate, on the basis of additional information, that they meet the criteria. Such criteria shall permit new construction by not fewer than 30 percent of the jurisdictions receiving an allocation under section 216(1). Such criteria shall include objective data on housing market conditions such as

low vacancy rates, low turnover of units with rents below fair market rents, and a high proportion of substandard housing.

(C) NEIGHBORHOOD REVITALIZATION.—Notwithstanding subparagraph (A), a participating jurisdiction may use funds made available under this subtitle for construction of affordable housing if the participating jurisdiction certifies that—

(i) the program of construction is needed to facilitate a neighborhood revitalization program that emphasizes rehabilitation of substandard housing for rental or homeownership opportunities by low-income and moderate-income families in an area designated by the jurisdiction;

(ii) the housing is located in a low- or moderate-income neighborhood, as defined in section 10(j)(13) of the Federal Home Loan Bank Act;

(iii) the number of units to be constructed with assistance under this subtitle does not exceed 20 percent of the total number of units in the neighborhood revitalization program that are assisted with funds under this subtitle; and

(iv) the housing is to be produced by a community housing development organization, as defined in section 104(6), or a public agency.

(D) APPLICABILITY.—Clause (iii) of subparagraph (C) shall not apply if the jurisdiction certifies that—

(i) the housing is to be located in a severely distressed area with large tracts of vacant land and abandoned buildings,

(ii) the housing is to be located in an area with an inadequate supply of existing housing that can economically be rehabilitated to meet identified housing needs, or

(iii) the new construction is required to accomplish the neighborhood revitalization program.

(E) SPECIAL NEEDS HOUSING.—Notwithstanding subparagraph (A), a participating jurisdiction may use funds made available under this subtitle for construction of—

(i) affordable housing for large families;

(ii) affordable housing for persons with disabilities;

(iii) single room occupancy housing; and

(iv) other categories of affordable housing for persons with special needs that the Secretary may designate;

if the participating jurisdiction certifies on the basis of objective data in its annual housing strategy that a high priority need for such housing exists in the jurisdiction, and that there is not a supply of vacant, habitable, public housing units in excess of normal vacancies resulting from turnovers that could meet the specified need.

(4) TENANT-BASED RENTAL ASSISTANCE.—

(A) IN GENERAL.—A participating jurisdiction may use funds provided under this subtitle for tenant-based rental assistance only if—

(i) the jurisdiction certifies that the use of funds under this subtitle for tenant-based rental assistance is

an essential element of the jurisdiction's annual housing strategy for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing, and specifies the local market conditions that lead to the choice of this option; and

(ii) the tenant-based rental assistance is provided to persons from the waiting lists eligible for section 8 assistance in accordance with the applicable preferences.

(B) FAIR SHARE NOT AFFECTED.—A jurisdiction's section 8 fair share allocation shall be unaffected by the use of assistance under this title.

(C) 24-MONTH CONTRACTS.—Rental assistance contracts made available with assistance under this title shall be for not more than 24 months, except that assistance to a family may be renewed.

(D) USE OF SECTION 8 ASSISTANCE.—In any case where assistance under section 8 of the United States Housing Act of 1937 becomes available to a participating jurisdiction, recipients of rental assistance under this title shall qualify for tenant selection preferences to the same extent as when they received the rental assistance under this title. A rental assistance program under this title shall meet minimum criteria prescribed by the Secretary, such as housing quality standards and standards regarding the reasonableness of the rent.

(b) INVESTMENTS.—Participating jurisdictions shall have discretion to invest funds made available under this subtitle as equity investments, interest-bearing loans or advances, noninterest-bearing loans or advances, interest subsidies or other forms of assistance that the Secretary has determined to be consistent with the purposes of this title. Each participating jurisdiction shall have the right to establish the terms of assistance.

(c) PROHIBITED USES.—Funds made available under this subtitle may not be used to—

(1) defray any administrative cost of a participating jurisdiction,

(2) provide tenant-based rental assistance for the special purposes of the existing section 8 program, including replacing public housing that is demolished or disposed of, preserving federally assisted housing, assisting in the disposition of housing owned or held by the Secretary, preventing displacement from rental rehabilitation projects, or extending or renewing tenant-based assistance under section 8 of the United States Housing Act of 1937,

(3) provide non-Federal matching contributions required under any other Federal program,

(4) provide assistance authorized under section 9 of the United States Housing Act of 1937,

(5) carry out activities authorized under section 14 of the Housing Act of 1937, or

(6) provide assistance to eligible low-income housing under the Emergency Low Income Housing Preservation Act of 1987 or the Low-Income Housing Preservation and Resident Homeownership Act of 1990.

(d) COST LIMITS.—

(1) IN GENERAL.—The Secretary shall establish limits on the amount of funds under this subtitle that may be invested on a per unit basis. The limits shall be established on a market-by-market basis, with adjustments made for number of bedrooms, and shall reflect the actual cost of new construction, reconstruction, or rehabilitation of housing that meets applicable State and local housing and building codes and the cost of land, including necessary site improvements. Adjustments shall be made annually to reflect inflation. Separate limits may be set for different eligible activities.

(2) CRITERIA.—In calculating per unit limits, the Secretary shall take into account that assistance under this title is intended to—

(A) provide nonluxury housing with suitable amenities;

(B) operate effectively in all jurisdictions;

(C) facilitate mixed-income housing; and

(D) reflect the costs associated with meeting the special needs of tenants or homeowners that the housing is designed to serve.

(3) CONSULTATION.—In calculating cost limits, the Secretary shall consult with organizations that have expertise in the development of affordable housing, including national nonprofit organizations and national organizations representing private development firms and State and local governments.

(e) CERTIFICATION OF COMPLIANCE.—The requirements of section 102(d) of the Department of Housing and Urban Development Reform Act of 1989 shall be satisfied by a certification by a participating jurisdiction to the Secretary that the combination of Federal assistance provided to any housing project shall not be any more than is necessary to provide affordable housing.

42 USC 12743.

SEC. 213. DEVELOPMENT OF MODEL PROGRAMS.

(a) IN GENERAL.—The Secretary shall—

Nonprofit organizations. Business and industry.

(2) make available to participating jurisdictions alternative model programs, which shall include suggested guidelines, procedures, forms, legal documents and such other elements as the Secretary determines to be appropriate;

(3) assure, insofar as is feasible, the availability of an appropriate variety of model programs designed for local market conditions, housing problems, project characteristics, and managerial capacities as they differ among participating jurisdictions;

(5) provide detailed information on model programs as requested by participating jurisdictions, private financial institu-

tions, developers, nonprofit organizations, and other interested parties; and

(6) encourage the use of such model programs to achieve efficiency, economies of scale, and effectiveness in the investment of funds made available under this subtitle through third-party training, printed materials, and such other means of support as the Secretary determines will achieve the purpose of this title.

(b) ADOPTION OF PROGRAMS.—Except as provided in section 223(2), each participating jurisdiction shall have the discretion to adopt one or more model programs, adapt one or more model programs to its own requirements, design additional forms of assistance by itself or in cooperation with other participating jurisdictions, and suggest additional model programs for adoption by the Secretary as the participating jurisdiction may deem appropriate, and the Secretary may assist a participating jurisdiction in adopting, adapting, or designing one or more model programs.

(c) SUBTITLE D PROGRAMS.—The selection of model programs to be made available for adoption or adaptation shall include programs meeting the criteria set forth in subtitle D.

SEC. 214. INCOME TARGETING. 42 USC 12744.

Each participating jurisdiction shall invest funds made available under this subtitle within each fiscal year so that—

(1) with respect to rental assistance and rental units—

(A) not less than 90 percent of such funds are invested with respect to dwelling units that are occupied by families whose incomes do not exceed 60 percent of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, (except that the Secretary may establish income ceilings higher or lower than 60 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction cost or fair market rent, or unusually high or low family income) at the time of occupancy or at the time funds are invested, whichever is later, and

(B) the remainder of such funds are invested with respect to dwelling units that are occupied by households that qualify as low-income families (other than families described in subparagraph (A)) at the time of occupancy or at the time funds are invested, whichever is later;

(2) with respect to homeownership assistance, 100 percent of such funds are invested with respect to dwelling units that are occupied by households that qualify as low-income families at the time of occupancy or at the time funds are invested, whichever is later; and

(3) all such funds are invested with respect to housing that qualifies as affordable housing under section 215.

SEC. 215. QUALIFICATION AS AFFORDABLE HOUSING. 42 USC 12745.

(a) RENTAL HOUSING.—

(1) QUALIFICATION.—Housing that is for rental shall qualify as affordable housing under this title only if the housing—

(A) bears rents not greater than the lesser of (i) the existing fair market rent for comparable units in the area as established by the Secretary under section 8 of the

United States Housing Act of 1937, or (ii) a rent that does not exceed 30 percent of the adjusted income of a family whose income equals 65 percent of the median income for the area, as determined by the Secretary, with adjustment for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 65 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or fair market rents, or unusually high or low family incomes;

(B) has not less than 20 percent of the units (i) occupied by very low-income families who pay as a contribution toward rent (excluding any Federal or State rental subsidy provided on behalf of the family) not more than 30 percent of the family's monthly adjusted income as determined by the Secretary, or (ii) occupied by very low-income families and bearing rents not greater than the gross rent for rent-restricted residential units as determined under section 42(g)(2) of the Internal Revenue Code of 1986;

(C) is occupied only by households that qualify as low-income families;

(D) is not refused for leasing to a holder of a voucher or certificate of eligibility under section 8 of the United States Housing Act of 1937 because of the status of the prospective tenant as a holder of such voucher or certificate of eligibility;

(E) will remain affordable, according to binding commitments satisfactory to the Secretary, for the remaining useful life of the property, as determined by the Secretary, without regard to the term of the mortgage or to transfer of ownership, or for such other period that the Secretary determines is the longest feasible period of time consistent with sound economics and the purposes of this Act; and

(F) if newly constructed, meets the energy efficiency standards promulgated by the Secretary in accordance with section 109 of this Act.

(2) ADJUSTMENT OF QUALIFYING RENT.—The Secretary may adjust the qualifying rent established for a project under subparagraph (A) of paragraph (1), only if the Secretary finds that such adjustment is necessary to support the continued financial viability of the project and only by such amount as the Secretary determines is necessary to maintain continued financial viability of the project.

(3) INCREASES IN TENANT INCOME.—Housing shall qualify as affordable housing despite a temporary noncompliance with subparagraph (B) or (C) of paragraph (1) if such noncompliance is caused by increases in the incomes of existing tenants and if actions satisfactory to the Secretary are being taken to ensure that all vacancies are filled in accordance with paragraph (1) until such noncompliance is corrected. Tenants who no longer qualify as low-income families shall pay as rent not less than 30 percent of the family's adjusted monthly income, as recertified annually.

(4) MIXED-INCOME PROJECT.—Housing that accounts for less than 100 percent of the dwelling units in a project shall qualify as affordable housing if such housing meets the criteria of this section.

(5) MIXED-USE PROJECT.—Housing in a project that is designed in part for uses other than residential use shall qualify as affordable housing if such housing meets the criteria of this section.

(b) HOMEOWNERSHIP.—Housing that is for homeownership shall qualify as affordable housing under this title only if the housing—

(i) to provide the owner with a fair return on investment, including any improvements, and

(ii) to ensure that the housing will remain affordable to a reasonable range of low income homebuyers; and

(5) if newly constructed, meets the energy efficiency standards promulgated by the Secretary in accordance with section 109 of this Act.

SEC. 216. PARTICIPATION BY STATES AND LOCAL GOVERNMENTS. 42 USC 12746.

The Secretary shall designate a State or unit of general local government to be a participating jurisdiction when it complies with procedures that the Secretary shall establish by regulation, which procedures shall only provide for the following: Regulations.

(1) ALLOCATION.—Not later than 20 days after funds to carry out this subtitle become available (or, during the first year after enactment of this Act, not later than 20 days after (A) funds to carry out this subtitle are provided in an appropriations Act, or (B) regulations to implement this subtitle are promulgated, whichever is later), the Secretary shall allocate funds in accordance with section 217 and promptly notify each jurisdiction receiving a formula allocation of its allocation amount. If a jurisdiction is not already a participating jurisdiction, the Secretary shall inform the jurisdiction in writing how the jurisdiction may become a participating jurisdiction.

(2) CONSORTIA.—A consortium of geographically contiguous units of general local government shall be deemed to be a unit of general local government for purposes of this title if the Secretary determines that the consortium—

(A) has sufficient authority and administrative capability to carry out the purposes of this title on behalf of its member jurisdictions, and

(B) will, according to a written certification by the State (or States, if the consortium includes jurisdictions in more than one State), direct its activities to alleviation of housing problems within the State or States.

(3) ELIGIBILITY.—(A) A jurisdiction receiving a formula allocation under section 217 shall be eligible to become a participating jurisdiction if its formula allocation is $750,000 or greater, or if the Secretary finds that—

(i) the jurisdiction has a local housing authority and has demonstrated a capacity to carry out provisions of this subtitle, and

(ii) the State has authorized the Secretary to transfer to the jurisdiction a portion of the State's allocation that is equal to or greater than the difference between the jurisdiction's formula allocation and $750,000, or the State or jurisdiction has made available from the State's or jurisdiction's own sources an equal amount for use by the jurisdiction in conformance with the provisions of this subtitle.

(B) If a jurisdiction has met the requirements of subparagraph (A), the jurisdiction's formula allocation for a fiscal year shall subsequently be deemed to equal the sum of the jurisdiction's allocation under section 217(a)(1) and the amount made available to the jurisdiction under subparagraph (A)(ii).

(4) NOTIFICATION.—If an eligible jurisdiction notifies the Secretary in writing, not later than 30 days after receiving notification under paragraph (1), of its intention to become a participating jurisdiction, the Secretary shall reserve an amount equal to the jurisdiction's allocation (plus any reallocations for which the jurisdiction is eligible under section 217(d)(1)) pending the jurisdiction's designation as a participating jurisdiction. The Secretary shall reallocate, in accordance with paragraph (6) of this section, any funds reserved under the previous sentence if the Secretary determines that the jurisdiction will not meet the requirements for designation as a participating jurisdiction within a reasonable period of time.

(5) SUBMISSION OF STRATEGY.—Not later than 90 days after providing notification under paragraph (4), an eligible jurisdiction shall submit to the Secretary a comprehensive housing affordability strategy in accordance with section 105.

(6) REALLOCATION.—If the Secretary determines that a jurisdiction has failed to meet the requirements of the previous 3 paragraphs or if the Secretary, after providing for amendments and resubmissions in accordance with section 105(c)(3), disapproves the jurisdiction's comprehensive housing affordability strategy, the Secretary shall reallocate any funds reserved for the jurisdiction as follows:

(A) STATE.—If a State has failed to meet the requirements, the Secretary shall—

(i) make any funds reserved for the State available by direct reallocation among applications submitted by units of general local government within the State or consortia that include units of general local government within the State, insofar as approvable applications meeting the selection criteria under section 217(c) are received within 12 months after the funds become available for the direct reallocation, and

(ii) reallocate the remainder by formula in accordance with section 217(b).

(B) LOCAL.—If a unit of general local government has failed to meet the requirements and is located in a State that is a participating jurisdiction, the Secretary shall re-

allocate to the State any funds reserved for the locality, with preference going to the provision of affordable housing within the locality.

(C) DIRECT REALLOCATION.—If a unit of general local government has failed to meet the requirements and is located in a State that is not a participating jurisdiction, the Secretary shall—

(i) make any funds reserved for the locality available for use within the State by direct reallocation among units of general local government and community housing development organizations, insofar as approvable applications meeting the selection criteria under section 217(c) are received within 12 months after the funds become available for the direct reallocation with priority going to applications for affordable housing within the locality, and

(ii) reallocate the remainder in accordance with section 217(b).

(D) CERTAIN JURISDICTIONS DEEMED TO BE PARTICIPATING JURISDICTIONS.—If a State or unit of general local government is meeting the requirements of paragraphs (3), (4), and (5), it shall be deemed to be a participating jurisdiction for purposes of reallocation under this paragraph.

(7) DESIGNATION.—The Secretary shall designate an eligible jurisdiction to be a participating jurisdiction as soon as its comprehensive housing affordability strategy is approved in accordance with section 105.

(8) CONTINUOUS DESIGNATION.—Once a State or unit of general local government is designated a participating jurisdiction, it shall remain a participating jurisdiction for subsequent fiscal years, except as provided in paragraph (9). The provisions of paragraphs (3) through (6) shall not apply to participating jurisdictions.

(9) REVOCATION.—The Secretary may revoke a jurisdiction's designation as a participating jurisdiction if—

(A) the Secretary finds, after reasonable notice and opportunity for hearing, that the jurisdiction is unwilling or unable to carry out the provisions of this title, or

(B) the jurisdiction's allocation falls below $750,000 for 3 consecutive years, below $625,000 for 2 consecutive years, or the jurisdiction does not receive a formula allocation of $500,000 or more in any 1 year.

If a jurisdiction's designation as a participating jurisdiction is revoked, any remaining line of credit in the jurisdiction's HOME Investment Trust Fund established under section 218 shall be reallocated in accordance with paragraph (6) of this section.

(a) IN GENERAL.—

(1) STATES AND UNITS OF GENERAL LOCAL GOVERNMENT.—After reserving amounts for Indian tribes as required by paragraph (2) of this subsection, the Secretary shall allocate funds approved in an appropriations Act to carry out this title by formula as provided in subsection (b). Of the funds made available under the preceding sentence, the Secretary shall initially

allocate 60 percent among units of general local government and 40 percent among States.

Grant programs.

(2) INDIAN ALLOCATION.—For each fiscal year, of the amount approved in an appropriations Act to carry out this title, the Secretary shall reserve for grants to Indian tribes 1 percent of the amount appropriated under such section. The criteria shall be contained in a regulation promulgated by the Secretary after notice and public comment.

Regulations.

(b) FORMULA ALLOCATION.—

(1) IN GENERAL.—

(A) RENTAL HOUSING PRODUCTION FORMULA.—(i) Of the funds made available under subsection (a)(1), the Secretary shall designate 10 percent in fiscal year 1991, and 15 percent in fiscal year 1992, for use only to produce affordable rental housing through new construction or substantial rehabilitation. Such funds shall be initially allocated by formula among jurisdictions that, according to the determination of the Secretary under section 212(a)(3)(B), have a housing supply sufficiently inadequate to permit new construction. The allocation among States shall reflect each State's share of the need in areas that meet the criteria established by the Secretary under section 212(a)(3)(B). Such formula shall reflect each eligible jurisdiction's share of the total need among all eligible jurisdictions for rental housing production as identified by objective measures of inadequate housing supply, including low vacancy rates, low turnover of units with rents below fair market rents, a high proportion of substandard housing, and other measures that the Secretary determines are appropriate under section 212(a)(3)(B). In no case may a jurisdiction's total allocation under this subparagraph and subparagraph (B) exceed the amount the jurisdiction would have received if its allocation were made under subparagraph (B) alone.

(ii) Any amounts made available under clause (i) that are not committed for new construction or substantial rehabilitation within a period ending 12 months after they are deposited in a jurisdiction's HOME Investment Trust Fund shall remain available only for such purposes during a subsequent 12-month period, after which they shall be available for other eligible uses in accordance with section 212 for an additional period of not to exceed 12 months.

Regulations.

(B) BASIC FORMULA.—The Secretary shall establish in regulation an allocation formula that reflects each jurisdiction's share of total need among eligible jurisdiction for an increased supply of affordable housing for very low-income and low-income families of different size, as identified by objective measures of inadequate housing supply, substandard housing, the number of low-income families in housing likely to be in need of rehabilitation, the costs of producing housing, poverty, and the relative fiscal incapacity of the jurisdiction to carry out housing activities eligible under section 212 without Federal assistance. Allocation among units of general local government shall take into

account the housing needs of metropolitan cities, urban counties, and approved consortia of units of general local government.

(C) SOURCE OF DATA.—The data to be used for formula allocation of funds within a fiscal year shall be data obtained from a standard source that are available to the Secretary 90 days prior to the beginning of that fiscal year.

(D) USE OF BASIC FORMULA.—Except as provided in subparagraph (A), the basic formula established under subparagraph (B) shall be used for all formula allocations and reallocations provided for in this subtitle.

(E) WEIGHTS.—When allocation is made among States, the Secretary shall apply the formulas in subparagraph (B) giving 20 percent weight to measures of need for the whole State and 80 percent weight to measures of need among units of general local government that are not receiving an allocation under section 216(1).

(F) ADJUSTMENTS.—In developing the basic formula in subparagraph (B), the Secretary shall (i) avoid the allocation of an excessively large share of amounts made available under this subtitle to any one State or unit of general local government, and (ii) take into account the need for a geographic distribution of amounts made available under this subtitle that appropriately reflects the housing need in each region of the Nation. If a jurisdiction receives an allocation under subparagraph (A), the Secretary shall make such adjustments in the jurisdiction's allocation under the formula in subparagraph (B) as may be necessary to ensure that the combined effect of the formulas in subparagraphs (A) and (B) does not reduce the allocation of any jurisdiction below the allocation it would receive if allocations were made according to the formula under subparagraph (B) alone.

(G) CONSULTATION.—The Secretary shall develop the formulas in subparagraphs (A) and (B) in ongoing consultation with (i) the Subcommittee on Housing and Urban Affairs of the Committee on Banking, Housing, and Urban Affairs of the Senate, (ii) the Subcommittee on Housing and Community Development of the Committee on Banking, Finance and Urban Affairs of the House of Representatives, and (iii) organizations representing States and units of general local government. Not less than 60 days prior to publishing a formula for comment, the Secretary shall submit to the Committee on Banking, Housing, and Urban Affairs of the Senate and the Committee on Banking, Finance and Urban Affairs of the House of Representatives a copy of the formula the Secretary intends to propose.

(2) MINIMUM STATE ALLOCATION.—

(A) IN GENERAL.—If the formula, when applied to funds approved under this section in appropriations Acts for a fiscal year, would allocate less than $3,000,000 to any State, the allocation for such State shall be $3,000,000, and the increase shall be deducted pro rata from the allocations of other States.

(B) INCREASED MINIMUM ALLOCATION.—If no unit of general local government within a State receives an allocation under paragraph (3), the State's allocation shall be in-

creased by $500,000. Priority for use of such increased allocation shall go to the provision of affordable housing within the boundaries of metropolitan cities, urban counties, and approved consortia within the State, based on the need for such funds. The increased allocation to a State under the preceding sentence shall be derived by a pro rata deduction from the allocations to units of general local government in all States, except that such pro rata deduction shall not reduce the allocation of any unit of general local government below $500,000.

(3) MINIMUM LOCAL ALLOCATION.—The Secretary shall allocate funds available for formula allocation to units of general local government that, as of the end of the previous fiscal year, qualified as metropolitan cities, urban counties, and consortia approved by the Secretary in accordance with section 216(2) so that, when all such funds are initially allocated by formula, only those jurisdictions that are allocated an amount of $500,000 or greater shall receive an allocation. Prior to announcing initial allocations, the Secretary shall successively recalculate the allocations to jurisdictions under this subsection so that the maximum number of such jurisdictions can receive initial allocations.

(c) CRITERIA FOR DIRECT REALLOCATION.—The Secretary shall establish objective criteria for making direct reallocations to any participating jurisdiction and other eligible entities. A jurisdiction shall be eligible for a direct reallocation under this subsection only if the jurisdiction, in a form acceptable to the Secretary, submits an application that demonstrates to the satisfaction of the Secretary that the jurisdiction is engaged, or has made good faith efforts to engage, in cooperative efforts between the State and appropriate participating jurisdictions within the State to develop, coordinate, and implement housing strategies under this title. The Secretary shall by regulation establish objective selection criteria for such direct reallocations, which criteria shall take into account—

Regulations.

(1) the applicant's demonstrated commitment to expand the supply of affordable rental housing, including units developed by public housing agencies, as indicated by the additional number of units of affordable housing made available through production or rehabilitation within the previous 2 years, making adjustment for regional variations in construction and rehabilitation costs and giving special consideration to the number of additional units made available under this title through production or rehabilitation, including units developed by public housing agencies, in relation to the amounts made available under this program;

(2) the applicant's actions that—

(A) direct funds made available under this subtitle to benefit very low-income families, with a range of incomes, in amounts that exceed the income targeting requirements of section 214, with extra consideration given for activities that expand the supply of affordable housing for very low-income families whose incomes do not exceed 30 percent of the median family income for the area, as determined by the Secretary;

(B) apply the tenant selection preference categories applicable under section 8 of the United States Housing Act of

1937 to the selection of tenants for housing assisted under this subtitle;

(C) provide matching resources in excess of funds required under section 220; and

(D) stimulate a high degree of investment and participation in development by the private sector, including nonprofit organizations; and

(3) the degree to which the applicant is pursuing policies that—

(A) make existing housing more affordable;

(B) remove or ameliorate any negative effects that public policies identified by the applicant pursuant to section 105(b)(4) may have on the cost of housing or the incentives to develop, maintain, or improve affordable housing in the jurisdiction;

(C) preserve the affordability of privately-owned housing that is vulnerable to conversion, demolition, disinvestment, or abandonment;

(D) increase the supply of housing that is affordable to very low-income and low-income persons, particularly in areas that are accessible to expanding job opportunities; and

(E) remedy the effects of discrimination and improve housing opportunities for disadvantaged minorities.

(d) REALLOCATIONS.—

(1) IN GENERAL.—The Secretary shall make any reallocations periodically throughout each fiscal year so as to ensure that all funds to be reallocated are made available to eligible jurisdictions as soon as possible, consistent with orderly program administration. Jurisdictions eligible for such reallocations shall include participating jurisdictions and jurisdictions meeting the requirements of paragraphs (3), (4), and (5) of section 216.

(2) COMMITMENTS.—The Secretary shall establish procedures according to which participating jurisdictions may make commitments to invest funds made available under this section. Such procedures shall provide for appropriate stages of commitment of funds to a project from initial reservation through binding commitment. Notwithstanding any other provision of this title, funds that the Secretary determines are needed to fulfill binding commitments shall not be available for reallocation.

(3) LIMITATION.—Unless otherwise specified in this subtitle, any reallocation of funds from a State shall be made only among all participating States, and any reallocation of funds from units of general local government shall be made only among all participating units of general local government.

SEC. 218. HOME INVESTMENT TRUST FUNDS. 42 USC 12748.

(a) ESTABLISHMENT.—The Secretary shall establish for each participating jurisdiction a HOME Investment Trust Fund, which shall be an account (or accounts as provided in section 219(c)) for use solely to invest in affordable housing within the participating jurisdiction's boundaries in accordance with the provisions of this subtitle.

(b) LINE OF CREDIT.—The Secretary shall establish a line of credit in the HOME Investment Trust Fund of each participating jurisdiction, which line of credit shall include—

(1) funds allocated or reallocated to the participating jurisdiction under section 217, and

(2) any payment or repayment made pursuant to section 219.

(c) REDUCTIONS.—A participating jurisdiction's line of credit shall be reduced by—

(1) funds drawn from the HOME Investment Trust Fund by the participating jurisdiction,

(2) funds expiring under subsection (g), and

(3) any penalties assessed by the Secretary under section 224.

(d) CERTIFICATION.—A participating jurisdiction may draw funds from its HOME Investment Trust Fund, but not to exceed the remaining line of credit, only after providing certification that the funds shall be used pursuant to the participating jurisdiction's approved housing strategy and in compliance with all requirements of this title. When such certification is received, the Secretary shall immediately disburse such funds in accordance with the form of the assistance determined by the participating jurisdiction.

(e) INVESTMENT WITHIN 15 DAYS.—The participating jurisdiction shall, not later than 15 days after funds are drawn from the jurisdiction's HOME Investment Trust Fund, invest such funds, together with any interest earned thereon, in the affordable housing for which the funds were withdrawn.

(f) NO INTEREST OR FEES.—The Secretary shall not charge any interest or levy any other fee with regard to funds in a HOME Investment Trust Fund.

(g) EXPIRATION OF RIGHT TO DRAW FUNDS.—Except as provided in section 217(b)(1)(A)(ii), if any funds becoming available to a participating jurisdiction under this title are not placed under binding commitment to affordable housing within 24 months after the last day of the month in which such funds are deposited in the jurisdiction's HOME Investment Trust Fund, the jurisdiction's right to draw such funds from the HOME Investment Trust Fund shall expire. The Secretary shall reduce the line of credit in the participating jurisdiction's HOME Investment Trust Fund by the expiring amount and shall reallocate the funds by formula in accordance with section 217(d).

(h) ADMINISTRATIVE PROVISION.—The Secretary shall keep each participating jurisdiction informed of the status of its HOME Investment Trust Fund, including the status of amounts under various stages of commitment.

42 USC 12749.

SEC. 219. REPAYMENT OF INVESTMENT.

(a) IN GENERAL.—Any repayment of funds drawn from a jurisdiction's HOME Investment Trust Fund, and any payment of interest or other return on the investment of such funds, shall be deposited in such jurisdiction's HOME Investment Trust Fund, except that, if the jurisdiction is not a participating jurisdiction when such payment or repayment is made, the amount of such payment or repayment shall be reallocated in accordance with section 217(d).

Government contracts.

(b) ASSURANCE OF REPAYMENT.—Each participating jurisdiction shall enter into an agreement with the Secretary ensuring that funds invested in affordable housing under this subtitle are repayable when the housing no longer qualifies as affordable housing. Any repayment under the previous sentence shall be for deposit in

the HOME Investment Trust Fund of the jurisdiction making the investment; except that if such jurisdiction is not a participating jurisdiction when such repayment is made, the amount of such repayment shall be reallocated in accordance with section 217(d).

(c) AVAILABILITY.—The Secretary shall take such actions as are necessary to ensure that any repayments deposited in a HOME Investment Trust Fund in accordance with this section shall be immediately available to the participating jurisdiction for investment subject to the provisions of this subtitle that apply to funds that are allocated under section 217. Actions authorized under the preceding sentence may include authorizing the establishment for a participating jurisdiction of a HOME Investment Trust Fund account outside of the Federal Government that, under arrangements satisfactory to the Secretary, shall be used solely to invest in affordable housing within the participating jurisdiction's boundaries in accordance with the provisions of this title. Such accounts shall be established in such a manner that repayments are not receipts or collections of the Federal Government.

SEC. 220. MATCHING REQUIREMENTS. 42 USC 12750.

(a) CONTRIBUTION.—Each participating jurisdiction shall make contributions to affordable housing assisted under this title that total, throughout a fiscal year, not less than—

(1) 25 percent of the total funds drawn from the jurisdiction's HOME Investment Trust Fund in that fiscal year with respect to rental assistance and housing rehabilitation;

(2) 33 percent of the total funds drawn from the jurisdiction's HOME Investment Trust Fund in that fiscal year with respect to substantial rehabilitation; and

(3) 50 percent of the total funds drawn from the jurisdiction's HOME Investment Trust Fund in that fiscal year with respect to new construction.

Such contributions shall be in addition to any amounts made available under section 216(3)(A)(ii).

(b) RECOGNITION.—

(1) IN GENERAL.—A contribution shall be recognized for purposes of subsection (a) only if it—

(A) is made with respect to housing that qualifies as affordable housing under section 215; or

(B) is made with respect to any portion of a project not less than 50 percent of the units of which qualify as affordable housing under section 215.

(2) ADMINISTRATIVE EXPENSES.—Contributions for administrative expenses shall be recognized only up to an amount equal to 7 percent of funds provided for investment under this title.

(c) FORM.—Such contributions may be in the form of—

(1) cash contributions from non-Federal resources, which may not include funds from a grant made under section 106(b) or section 106(d) of the Housing and Community Development Act of 1974;

(2) payment of administrative expenses, as defined by the Secretary, from non-Federal resources, which may include funds from a grant made under section 106(b) or section 106(d) of the Housing and Community Development Act of 1974;

(3) the value of taxes, fees, or other charges that are normally and customarily imposed but are waived, foregone, or deferred

in a manner that achieves affordability of housing assisted under this title;

(4) the value of land or other real property as appraised according to procedures acceptable to the Secretary; and

(5) the value of investment in on-site and off-site infrastructure directly required for affordable housing assisted under this title.

(d) REDUCTION OF REQUIREMENT.—If a jurisdiction demonstrates to the satisfaction of the Secretary that a reduction of the matching requirement specified in subsection (a) is necessary to permit the jurisdiction to carry out the purposes of this title, the Secretary may reduce the matching requirement during a period not to exceed 3 years after the jurisdiction is first designated as a participating jurisdiction. Such reduction shall be not more than 75 percent in the first year, not more than 50 percent in the second year, and not more than 25 percent in the third year.

Each participating jurisdiction shall make all reasonable efforts, consistent with the purposes of this title, to maximize participation by the private sector, including nonprofit organizations and for-profit entities, in the implementation of the jurisdiction's housing strategy, including participation in the financing, development, rehabilitation and management of affordable housing. Nothing in the previous sentence shall preclude public housing authorities from fully participating in the implementation of a jurisdiction's housing strategy.

42 USC 12752.

SEC. 222. DISTRIBUTION OF ASSISTANCE.

(a) LOCAL.—Each participating jurisdiction shall, insofar as is feasible, distribute assistance under this subtitle geographically within its boundaries and among different categories of housing need, according to the priorities of housing need identified in the jurisdiction's approved housing strategy.

(b) STATE.—Participating States shall be responsible for distributing assistance throughout the State according to the State's assessment of the geographical distribution of the housing need within the State, as identified in the State's approved housing strategy. Participating States shall distribute assistance to rural areas in amounts that take into account the nonmetropolitan share of the State's total population and objective measures of rural housing need, such as poverty and substandard housing, as set forth in the State's housing strategy approved under section 105 of this Act. To the extent the need is within the boundaries of a participating unit of general local government, the State and the unit of general local government shall coordinate activities to address that need.

(1) prevent withdrawals from the participating jurisdiction's HOME Investment Trust Fund for activities affected by such failure to comply;

(2) restrict the participating jurisdiction's activities under this title to activities that conform to one or more model programs made available under section 213; or

(1) a participating jurisdiction has been adjudicated, by a Federal, State, or local court, to be in violation of title VI of the Civil Rights Act of 1964, the Fair Housing Act, or any other Federal, State, or local law promoting fair housing or prohibiting discrimination, or

(2) a settlement has been entered into in any case where claims of such violations have been asserted against a participating jurisdiction, except to the extent permitted by subsection (b).

(b) REMEDIAL USE OF FUNDS PERMITTED.—In the case of settlement described in subsection (a)(2), a jurisdiction may use funds provided under this Act to carry out housing remedies with eligible activities.

(b) TERMINATION OF TENANCY.—An owner shall not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted under this title except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause. Any termination or refusal to renew must be preceded by not less than 30 days by the owner's service upon the tenant of a written notice specifying the grounds for the action.

42 USC 12756.

SEC. 226. MONITORING OF COMPLIANCE.

(a) ENFORCEABLE AGREEMENTS.—Each participating jurisdiction, through binding contractual agreements with owners and otherwise, shall ensure long-term compliance with the provisions of this title. A participating jurisdiction is authorized to enter into contracts with community housing development organizations to carry out this section.

(b) RECAPTURE AND REUSE.—If any funds reserved under subsection (a) remain uninvested for a period of 18 months, then the Secretary shall deduct such funds from the line of credit in the participating jurisdiction's HOME Investment Trust Fund and make such funds available by direct reallocation (1) to other participating jurisdictions for affordable housing developed, sponsored or owned by community housing development organizations, or (2) to nonprofit intermediary organizations to carry out activities that develop the capacity of community housing development organizations consistent with section 233, with preference to community housing development organizations serving the jurisdiction from which the funds were recaptured.

Section 221(g)(4) of the National Housing Act (12 U.S.C. 1715l(g)(4)) is amended by adding after subparagraph (B) the following new subparagraph:

"(C)(i) In lieu of accepting assignment of the original credit instrument and the mortgage securing the credit instrument under subparagraph (A) in exchange for receipt of debentures, the Secretary shall arrange for the sale of the beneficial interests in the mortgage loan through an auction and sale of the (I) mortgage loans, or (II) participation certificates, or other mortgage-backed obligations in a form acceptable to the Secretary (in this subparagraph referred to as 'participation certificates'). The Secretary shall arrange the auction and sale at a price, to be paid to the mortgagee, of par plus accrued interest to the date of sale. The sale price shall also include the right to a subsidy payment described in clause (iii).

"(ii)(I) The Secretary shall conduct a public auction to determine the lowest interest rate necessary to accomplish a sale of the beneficial interests in the original credit instrument and mortgage securing the credit instrument.

"(II) A mortgagee who elects to assign a mortgage shall provide the Secretary and persons bidding at the auction a description of the characteristics of the original credit instrument and mortgage securing the original credit instrument, which shall include the principal mortgage balance, original stated interest rate, service fees, real estate and tenant characteristics, the level and duration of applicable Federal subsidies, and any other information determined by the Secretary to be appropriate. The Secretary shall also provide information regarding the status of the property with respect to the provisions of the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act with respect to eligibility to prepay the mortgage, a statement of whether the owner has filed a notice of intent to prepay or a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, and the details with respect to incentives provided under the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act in lieu of exercising prepayment rights.

"(III) The Secretary shall, upon receipt of the information in subclause (II), promptly advertise for an auction and publish such mortgage descriptions in advance of the auction. The Secretary may conduct the auction at any time during the 6-month period beginning upon receipt of the information in subclause (II) but under no circumstances may the Secretary conduct an auction before 2 months after receiving the mortgagee's written notice of intent to assign its mortgage to the Secretary.

"(IV) In any auction under this subparagraph, the Secretary shall accept the lowest interest rate bid for purchase that the Secretary determines to be acceptable. The Secretary shall cause the accepted bid to be published in the Federal Register. Settlement for the sale of the credit instrument and the mortgage securing the credit instrument shall occur not later than 30 business days after the date winning bidders are selected in the auction, unless the Secretary determines that extraordinary circumstances require an extension (not to exceed 60 days) of the period.

Federal Register, publication.

"(V) If no bids are received, the bids that are received are not acceptable to the Secretary, or settlement does not occur within the period under subclause (IV), the mortgagee shall retain all rights (including the right to interest, at a rate to be determined by the Secretary, for the period covering any actions taken under this subparagraph) under this section to assign the mortgage loan to the Secretary.

"(iii) As part of the auction process, the Secretary shall agree to provide a monthly interest subsidy payment from the General Insurance Fund to the purchaser under the auction of the original credit instrument or the mortgage securing the credit instrument (and any subsequent holders or assigns who are approved mortgagees). The subsidy payment shall be paid on the first day of each month in an amount equal to the difference between the stated interest due on the mortgage loan and the lowest interest rate necessary to accomplish a sale of the mortgage loan or participation certificates (less the servicing fee, if appropriate) for the then unpaid principal balance plus accrued interest at a rate determined by the Secretary. Each interest subsidy payment shall be treated by the holder of the mortgage as interest paid on the mortgage. The interest subsidy payment shall be provided until the earlier of—

"(I) the maturity date of the loan;

"(II) prepayment of the mortgage loan in accordance with the Emergency Low Income Housing Preservation Act of 1987 or any subsequent Act, where applicable; or

"(III) default and full payment of insurance benefits on the mortgage loan by the Federal Housing Administration.

"(iv) The Secretary shall require that the mortgage loans or participation certificates presented for assignment are auctioned as whole loans with servicing rights released and also are auctioned with servicing rights retained by the current servicer.

"(v) To the extent practicable, the Secretary shall encourage State housing finance agencies, nonprofit organizations, and organizations representing the tenants of the property

securing the mortgage, or a qualified mortgagee participating in a plan of action under the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act to participate in the auction.

"(vi) The Secretary shall implement the requirements imposed by this subparagraph within 30 days from the date of enactment of this subparagraph and not be subject to the requirement of prior issuance of regulations in the Federal Register. The Secretary shall issue regulations implementing this section within 6 months of the enactment of this subparagraph.

"(vii) Nothing in this subparagraph shall diminish or impair the low income use restrictions applicable to the project under the original regulatory agreement or the revised agreement entered into pursuant to the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act, if any, or other agreements for the provision of Federal assistance to the housing or its tenants.

"(viii) This subparagraph shall not apply after September 30, 1995. Not later than January 31 of each year (beginning in 1992), the Secretary shall submit to the Congress a report including statements of the number of mortgages auctioned and sold and their value, the amount of subsidies committed to the program under this subparagraph, the ability of the Secretary to coordinate the program with the incentives provided under the Emergency Low Income Housing Preservation Act of 1987 or subsequent Act, and the costs and benefits derived from the program for the Federal Government.".

(a) FORMULA ALLOCATION TO AGENCIES WITH 500 OR MORE UNITS.—

(1) IN GENERAL.—Section 14(k) of the United States Housing Act of 1937 (42 U.S.C. 1437*l*(k)) is amended to read as follows:

"(k)(1) From amounts approved in appropriation Acts for grants under this section for fiscal year 1992 and each fiscal year thereafter, and to the extent provided by such Acts, the Secretary shall reserve not more than $75,000,000 (including unused amounts reserved during previous fiscal years), which shall be available for modernization needs resulting from natural and other disasters and from emergencies. Amounts provided for emergencies shall be repaid by public housing agencies from future allocations of assistance under paragraph (2), where available.

"(2)(A) After determining the amounts to be reserved under paragraphs (1) and (5)(D)(iv), the Secretary shall allocate the amount remaining pursuant to a formula contained in a regulation prescribed by the Secretary, which shall be designed to measure the relative needs of public housing agencies. The formula shall take into account amounts previously made available by the Secretary for modernization under this section and for major reconstruction of obsolete projects, to the extent determined appropriate by the Secretary.

"(B) The Secretary shall allocate half of the amount allocated under this paragraph based on the relative backlog needs of public housing agencies, determined—

"(i) for individual public housing agencies with 500 or more units and for the aggregate of agencies with fewer than 500 units, where the data are statistically reliable, on the basis of the most recently available, statistically reliable data regarding the (I) backlog of needed repairs and replacements of existing physical systems in public housing projects, (II) items that must be added to projects to meet the modernization standards of the Secretary (referred to in subsection (e)(1)(A)(ii)(I)) and State and local codes, and (III) items that are necessary or highly desirable for the long-term viability of a project; or

"(ii) for individual public housing agencies with 500 or more units, where such data are not statistically reliable, on the basis of estimates of the categories of backlog specified in clause (i) using the most recently available data on the backlog, and objectively measurable data on public housing agency, community, and project characteristics regarding—

"(I) the average number of bedrooms in the units in a project;

"(II) the proportion of units in a project available for occupancy by very large families;

"(III) the extent to which units for families are in high-rise elevator projects;

"(IV) the age of the projects;

"(V) in the case of a large agency, as determined by the Secretary, the number of units with 2 or more bedrooms;

"(VI) the cost of rehabilitating property in the area;

"(VII) for family projects, the extent of population decline in the unit of general local government determined on the basis of the 1970 and 1980 censuses; and

"(VIII) any other factors the Secretary determines are appropriate.

The Secretary may not establish or amend any criteria regarding the backlog needs of public housing agencies under this subparagraph, except by rule as provided under section 553 of title 5, United States Code.

"(C) The Secretary shall allocate the other half of the amount allocated under this paragraph based on the relative accrued needs of public housing agencies for the categories of need specified in subparagraphs (B)(i) (I) and (II), determined—

"(i) for individual public housing agencies with 500 or more units and for the aggregate of agencies with fewer than 500 units, where the data are statistically reliable, on the basis of the needs that are estimated to have accrued since the date of the last objective measurement of backlog needs under subparagraph (B); or

"(ii) for individual public housing agencies with 500 or more units, where the estimates under clause (i) are not statistically reliable, on the basis of estimates of accrued need using the most recently available data on the backlog, and objectively measurable data on public housing agency, community, and project characteristics regarding—

"(I) the average number of bedrooms of the units in a project;

"(II) the proportion of units in a project available for occupancy by very large families;

"(III) the age of the projects;

"(IV) the extent to which the buildings in projects of an agency average fewer than 5 units;

"(V) the cost of rehabilitating property in the area;

"(VI) the total number of units of each agency that owns or operates 500 or more units; and

"(VII) any other factors the Secretary determines are appropriate.

The Secretary may not establish or amend any criteria regarding the accrual needs of public housing agencies under this subparagraph, except by rule as provided under section 553 of title 5, United States Code.

"(D)(i) In determining how many units an agency owns or operates and the relative modernization needs of agencies, the Secretary shall count each existing unit under the annual contributions contract, except that an existing unit under the turnkey III and the mutual help programs may be counted as less than one unit, to take into account the responsibility of families for the costs of certain maintenance and repair. For purposes of this section, an agency that qualifies to receive a formula grant under paragraph (4) may elect to continue to qualify to receive a formula grant if it owns or operates at least 400 public housing units.

"(ii) Where an existing unit under a contract is demolished or disposed of, the Secretary shall not adjust the amount the agency receives under the formula unless more than one percent of the units are affected on a cumulative basis. Where more than one percent of the units are demolished or disposed of, the Secretary shall reduce the formula amount for the agency over a 3-year period to reflect removal of the units from the contract.

"(iii) The Secretary shall determine whether the data under subparagraphs (B) and (C) are statistically reliable.

"(3) The amount determined under the formula for agencies with fewer than 500 units shall be allocated in accordance with subsection (d).

"(4) The amount determined under the formula for each agency that owns or operates 500 or more units shall be allocated to each qualifying agency in accordance with subsection (e).

"(5)(A) With respect to any agency that is designated as a troubled agency with respect to the program under this section upon the initial designation of such troubled agencies under section 6(j)(2)(A)(i), the Secretary shall limit the total amount of funding under this section for the agency for fiscal year 1992 and any fiscal year thereafter, if the agency remains designated as a troubled agency, to the sum of—

"(i) the average of the amount that the troubled agency received for modernization activities under this section and for major reconstruction of obsolete projects for each of fiscal years 1989, 1990, and 1991, which average shall be adjusted to take into account changes in the cost of rehabilitating property; plus

"(ii) 25 percent of the difference between the amount determined under clause (i) and the amount that would be allocated to the agency in such fiscal year if the agency were not designated as a troubled agency.

"(B) In any fiscal year the Secretary may, pursuant to the request of a troubled agency, increase the amount allocated to the agency under subparagraph (A) to an amount not exceeding the amount that would be allocated to the agency in such fiscal year if the agency were not a troubled agency. An increase under this subparagraph shall be based on the agency's progress toward meeting the performance indicators under section 6(j)(1). The Secretary shall render a decision in writing on each such request not later than 75 days after receipt of the request and any necessary supporting documentation.

"(C) For any fiscal year, any amounts that would have been allocated to an agency under the formula under paragraph (2) that are not allocated to the agency because the agency receives the amount provided under subparagraph (A) of this paragraph, shall be allocated in such year pursuant to the formula to other agencies with 500 or more units.

"(D) The Secretary shall carry out a credit system under this subparagraph to provide agencies that receive allocations under subparagraph (A) with additional assistance under this section after the agency is determined not to be a troubled agency, to compensate for amounts not received because of the troubled agency designation. The credit system shall be subject to the following requirements: Credit.

"(i) Any agency that receives assistance pursuant to subparagraph (A) for any fiscal year shall receive credits for the difference between the amount that the agency would have been

allocated in such year if it were not designated a troubled agency and the amount allocated for the agency for such year under subparagraph (A).

"(ii) An agency may not receive credits under this subparagraph for more than 3 consecutive fiscal years.

"(iii) After a 3-year period during which an agency has accrued credits, the credits accrued by the agency shall be—

"(I) decreased by 10 percent of the total credits accumulated if the designation as a troubled agency is not removed before the conclusion of the first fiscal year after such 3-year period of accrual of credits;

"(II) decreased by an additional 20 percent of the original total accumulated credits if the designation as a troubled agency is not removed before the conclusion of the second fiscal year after such 3-year accrual period;

"(III) decreased by an additional 30 percent of the original total accumulated credits if the designation as a troubled agency is not removed before the conclusion of the third fiscal year after such 3-year accrual period; and

"(IV) eliminated if the designation as a troubled agency is not removed before the conclusion of the fourth fiscal year after such 3-year accrual period.

"(iv) After a determination by the Secretary that an agency is not a troubled agency, the Secretary shall provide the agency with amounts made available under this clause in accordance with the amount of credits accumulated by the agency (subject to the reductions under clause (iii)). Such amounts shall be provided in addition to the amounts allocated to the agency pursuant to the formula under paragraph (2). In each fiscal year, the Secretary shall reserve from amounts available for allocation under paragraph (2)(A) the amount necessary to provide assistance pursuant to such credits, except that the reserved amount may not exceed 5 percent of the total amount available for allocation under such paragraph.

"(v) In making payments for accrued credits in accordance with clause (iv), the Secretary may take into account the ability of the agency to expeditiously expend amounts received for credits.

Regulations.

"(E) The Secretary shall, by regulation, establish special rules for limiting the amount of assistance provided under this section to agencies that become troubled after the date of the initial designation of troubled agencies under section 6(j)(2)(A)(i). The rules may provide for a credit system based on the system established under this paragraph.

"(6) Any amounts (A) allocated under paragraph (4) that become available for reallocation because an agency does not qualify to receive all or a part of its formula allocation due to failure to comply with the requirements of this section (other than because of designation as a troubled agency), and (B) recaptured by the Secretary for good cause, shall (subject to approval in appropriations Acts) be reallocated by the Secretary in the next fiscal year to other housing agencies that own or operate 500 or more units, based on their relative needs. The relative needs of agencies shall be measured by the formula established pursuant to paragraph (2)(A).

"(7) A public housing agency may appeal the amount of its allocation determined under the formula on the basis of unique circumstances or on the basis that the objectively measurable data

regarding the agency, community, and project characteristics used for determining the formula amount were not correct.

"(8) Amounts allocated to a public housing agency under paragraph (3) or (4) may be used for any eligible activity in accordance with this section, notwithstanding that the allocation amount is determined by allocating half based on relative backlog needs and half based on relative accrued needs of agencies.".

(A) the head of the family shall be required to be employed on a full-time basis, except that if the head of the family becomes unemployed, the public housing agency shall review the individual case to determine if mitigating factors, such as involuntary loss of employment, warrant continuing the family's participation in the demonstration program; and

(B) the public housing agency shall ensure the provision of counseling to assist family members in gaining, advancing in, and retaining employment.

(2) RENT INCREASES.—During the 1-year period beginning upon the residency of a participating family in housing provided under subsection (e), the amount of rent charged the participating family may not be increased on the basis of any increase in the earned income of the family, until such earned income exceeds 80 percent of the median family income for the area.

(A) because the family is not prepared to enter a program for homeownership or to secure any other form of private housing; or

(B) for other good cause.

(2) INCOMPLETION.—

(A) IN GENERAL.—Except as provided in subparagraph (B), if a participating family is unable to successfully fulfill the requirements under the demonstration program, the public housing agency shall offer the family a comparable public housing unit in a project administered by the agency (notwithstanding any preference for residency in public housing under section 6(c)(4)(A)(i) of the United States Housing Act of 1937), or assistance under section 8 of such Act (subject to availability of amounts provided under appropriations Acts and notwithstanding any preference for such assistance under section 8(d)(1)(A)(i) of such Act).

The guidelines established by the Secretary shall not be inconsistent with customary appraisal standards. The guidelines shall also meet the following requirements:

"(2) RELEVANT LOCAL MARKETS.—If the aggregate preservation rents for a project exceeds the amount determined under paragraph (1), the Secretary shall determine whether such aggregate rents exceed the amount determined by multiplying 120 percent of the prevailing rents in the relevant local market area in which the housing is located by the number of units in the project (according to the appropriate unit sizes). A relevant local market area shall be an area geographically smaller than a

market area established by the Secretary under section 8(c)(1) of the United States Act of 1937 that is identifiable as a distinct rental market area. The Secretary may rely on the appraisal to determine the relevant local market areas and prevailing rents in such local areas and any other information the Secretary determines is appropriate.

"(3) EFFECT.—For purposes of this subtitle, the aggregate preservation rents shall be considered to exceed the Federal cost limits under this subsection only if the aggregate preservation rents exceed the amount determined under paragraph (1) and the amount determined under paragraph (2).

"(2) HOUSING EXCEEDING FEDERAL COST LIMITS.—If the aggregate preservation rents for an eligible low-income housing project exceed the Federal cost limit, the owner may—

"(A) file a plan of action under section 217 to receive incentives under section 219 if the owner agrees to accept incentives under such sections in an amount that shall not exceed the Federal cost limit;

"(B) file a second notice of intent under section 216(d) indicating an intention to transfer the housing under section 220 and take actions pursuant to such section if the owner agrees to transfer the housing at a price that shall not exceed the Federal cost limit; or

"(C) file a second notice of intent under section 216(d) indicating an intention to prepay the mortgage or voluntarily terminate the insurance, subject to the mandatory sale provisions under section 221.

"SEC. 216. INFORMATION FROM SECRETARY. 12 USC 4106.

The information shall include a description of the criteria for such termination specified under section 218 and the documentation required to satisfy such criteria.

"(b) INFORMATION TO OWNERS EXTENDING LOW-INCOME AFFORDABILITY RESTRICTIONS.—The Secretary shall provide each owner who submits notice of intent to extend the low-income affordability restrictions on the housing under section 219 or transfer the housing under section 220 to a qualified purchaser with information under this subsection not later than 9 months after receipt of the notice of intent. The information shall include any information necessary for

the owner to prepare a plan of action under section 217, including the following:

"(1) PRESERVATION VALUES.—A statement of the preservation value of the housing determined under paragraphs (1) and (2) of section 213(b).

"(2) PRESERVATION RENT.—A statement of the preservation rent for the housing as calculated under section 214(b).

"(3) FEDERAL COST LIMITS.—A statement of the applicable Federal cost limits for the market area (or relevant local market area, if applicable) in which the housing is located, which shall explain the limitations under sections 219 and 220 of the amount of assistance that the Secretary may provide based on such cost limits.

"(1) FILING.—Each owner of eligible low-income housing that elects to transfer housing under section 220 shall submit to the Secretary, in such form and manner as the Secretary prescribes, notice of intent to sell the housing under section 220. To be eligible to prepay the mortgage or voluntarily terminate the insurance contract on the mortgage, an owner of housing for which the preservation rents exceed the Federal cost limits under section 215(b) shall submit to the Secretary notice of such intent. The provisions of sections 221 and 223 shall apply to any owner submitting a notice under the preceding sentence.

"(2) TIMING.—A second notice of intent under this subsection shall be submitted not later than 30 days after receipt of information from the Secretary under this section. If an owner fails to submit such notice within such period, the notice of intent submitted by the owner under section 212 shall be void and ineffective for purposes of this subtitle.

12 USC 4107.

"SEC. 217. PLAN OF ACTION.

"(a) SUBMISSION TO SECRETARY.—

"(1) TIMING.—Not later than 6 months after receipt of the information from the Secretary under section 216 an owner seeking to terminate the low-income affordability restrictions through prepayment of the mortgage or voluntary termination under section 218, or to extend the low-income affordability restriction on the housing under section 219, shall submit a plan of action to the Secretary in such form and manner as the Secretary shall prescribe. Any owner or purchaser seeking a transfer of the housing under section 220 or 221 shall submit a plan of action under this section to the Secretary upon acceptance of a bona fide offer under section 220 (b) or (c) or upon making of any bona fide offer under section 221.

An appropriate agency of such State or local government shall review the plan and advise the tenants of the housing of any programs that are available to assist the tenants in carrying out the purposes of this title.

"(3) FAILURE TO SUBMIT.—If the owner does not submit a plan of action to the Secretary within the 6-month period referred to in paragraph (1) (or the applicable longer period), the notice of intent shall be ineffective for purposes of this subtitle and the owner may not submit another notice of intent under section 212 until 6 months after the expiration of such period.

"(b) CONTENTS.—

"(1) TERMINATION OF AFFORDABILITY RESTRICTIONS.—If the plan of action proposes to terminate the low-income affordability restrictions through prepayment or voluntary termination in accordance with section 218, the plan shall include—

"(B) a description of any proposed changes in the low-income affordability restrictions;

"(C) a description of any change in ownership that is related to prepayment or voluntary termination;

"(D) an assessment of the effect of the proposed changes on existing tenants;

"(2) EXTENSION OF AFFORDABILITY RESTRICTIONS.—If the plan of action proposes to extend the low-income affordability restrictions of the housing in accordance with section 219 or transfer the housing to a qualified purchaser in accordance with section 220, the plan shall include—

12 USC 4108.

"SEC. 218. PREPAYMENT AND VOLUNTARY TERMINATION.

"(a) APPROVAL.—The Secretary may approve a plan of action that provides for termination of the low-income affordability restrictions through prepayment of the mortgage or voluntary termination of the mortgage insurance contract only upon a written finding that—

"(1) implementation of the plan of action will not—

"(A) materially increase economic hardship for current tenants, and will not in any event result in (i) a monthly rental payment by any current tenant that exceeds 30 percent of the monthly adjusted income of the tenant or an increase in the monthly rental payment in any year that exceeds 10 percent (whichever is lower), or (ii) in the case of a current tenant who already pays more than such percentage, an increase in the monthly rental payment in any year that exceeds the increase in the Consumer Price Index or 10 percent (whichever is lower); or

"(B) involuntarily displace current tenants (except for good cause) where comparable and affordable housing is not readily available determined without regard to the availability of Federal housing assistance that would address any such hardship or involuntary displacement; and

"(2) the supply of vacant, comparable housing is sufficient to ensure that such prepayment will not materially affect—

"(A) the availability of decent, safe, and sanitary housing affordable to low-income and very low-income families or persons in the area that the housing could reasonably be expected to serve;

"(B) the ability of low-income and very low-income families or persons to find affordable, decent, safe, and sanitary housing near employment opportunities; or

"(C) the housing opportunities of minorities in the community within which the housing is located.

"(b) DISAPPROVAL.—If the Secretary determines a plan of action to prepay a mortgage or terminate an insurance contract fails to meet the requirements of subsection (a), the Secretary shall disapprove the plan, the notice of intent filed under section 212 by such owner shall not be effective for purposes of this subtitle, and the owner may, in order to receive incentives under this subtitle, file a new notice of intent under such section.

12 USC 4109.

"SEC. 219. INCENTIVES TO EXTEND LOW-INCOME USE.

"(a) AGREEMENTS BY SECRETARY.—After approving a plan of action from an owner of eligible low-income housing that includes the owner's plan to extend the low-income affordability restrictions of the housing, the Secretary shall, subject to the availability of appropriations for such purpose, enter into such agreements as are necessary to enable the owner to receive the annual authorized return for the housing determined under section 214(a), pay debt service on the federally-assisted mortgage covering the housing, pay debt service on any loan for rehabilitation of the housing, and meet project operating expenses and establish adequate reserves. The Secretary shall take into account the Federal cost limits under section 215(a) for the housing when providing incentives under subsections (b) (2) and (3) of this section.

"(b) PERMISSIBLE INCENTIVES.—Such agreements may include one or more of the following incentives:

"(1) Increased access to residual receipts accounts.

"(2) Subject to the availability of amounts provided in appropriations Acts—

"(A) an increase in the rents permitted under an existing contract under section 8 of the United States Housing Act of 1937, or

"(B) additional assistance under section 8 or an extension of any project-based assistance attached to the housing; and

"(3) An increase in the rents on units occupied by current tenants as permitted under section 222.

"(4) Financing of capital improvements under section 201 of the Housing and Community Development Amendments of 1978.

"(5) Financing of capital improvements through provision of insurance for a second mortgage under section 241 of the National Housing Act.

"(6) In the case of housing defined in section 229(1)(A)(iii), redirection of the Interest Reduction Payment subsidies to a second mortgage.

"(7) Access by the owner to a portion of the preservation equity in the housing through provision of insurance for a second mortgage loan insured under section 241(f) of the National Housing Act or a non-insured mortgage loan approved by the Secretary and the mortgagee.

"(8) Other incentives authorized in law.

With respect to any housing with a mortgage insured or otherwise assisted pursuant to section 236 of the National Housing Act, the provisions of subsections (f) and (g) of section 236 of such Act notwithstanding, the fair market rental charge for each unit in such housing may be increased in accordance with this subsection, but the owner shall pay to the Secretary all rental charges collected in excess of the basic rental charges, in an amount not greater than the fair market rental charges as such charges would have been established under section 236(f) of such Act absent the requirements of this paragraph.

"SEC. 220. INCENTIVES FOR TRANSFER TO QUALIFIED PURCHASERS. 12 USC 4110.

"(a) IN GENERAL.—With respect to any eligible low-income housing for which an owner has submitted a second notice of intent under section 216(d) to transfer the housing to a qualified purchaser, the owner shall offer the housing for transfer to qualified purchasers as provided in this section. The Secretary shall issue regulations describing the means by which potential qualified purchasers shall be notified of the availability of the housing for sale. The Secretary shall take into account the Federal cost limits under section 215(a) for the housing when providing incentives under section 219(b)(2) and (b)(3) (pursuant to subsection (d)(3) of this section). Regulations.

"(b) RIGHT OF FIRST OFFER TO PRIORITY PURCHASERS.—

"(1) NEGOTIATION PERIOD.—For the 12-month period beginning on the receipt by the Secretary of a second notice of intent under section 216(d) with respect to such housing, the owner may offer to sell and negotiate a sale of the housing only with priority purchasers. The negotiated sale price may not exceed the preservation value of the housing determined under section

213(b)(2). The owner or the purchaser shall submit a plan of action under section 217 for any sale under this subsection, which shall include any request for assistance under this section, upon the acceptance of any bona fide offer meeting the requirements of this paragraph.

"(2) EXPRESSION OF INTEREST.—During such period, priority purchasers may submit written notice to the Secretary stating their interest in acquiring the housing. Such notice shall be made in the form and include such information as the Secretary may prescribe.

"(3) INFORMATION.—Within 30 days of receipt of an expression of interest by a priority purchaser, the Secretary shall provide such purchaser with information on the assistance available from the Federal Government to facilitate a transfer and the owner shall provide appropriate information on the housing, as determined by the Secretary.

"(c) RIGHT OF REFUSAL FOR OTHER QUALIFIED PURCHASERS.—If no bona fide offer to purchase any eligible low-income housing subject to this section that meets the requirements of subsection (b) is made and accepted during the period under such subsection, during the 3-month period beginning upon the expiration of the 12-month period under subsection (b)(1), the owner of the housing may offer to sell and may sell the housing only to qualified purchasers. The negotiated sale price may not exceed the preservation value of the housing determined under section 213(b)(2). The owner or purchaser shall submit a plan of action under section 217 for any sale under this subsection, which shall include any request for assistance under this section, upon the acceptance of any bona fide offer meeting the requirements of this paragraph.

"(d) ASSISTANCE.—

"(1) APPROVAL.—If the qualified purchaser is a resident council, the Secretary may not approve a plan of action for assistance under this section unless the council's proposed resident homeownership program meets the requirements under section 226. For all other qualified purchasers, the Secretary may not approve the plan unless the Secretary finds that the criteria for approval under section 222 have been satisfied.

"(2) AMOUNT.—Subject to the availability of amounts approved in appropriations Acts, the Secretary shall, for approvable plans of action, provide assistance sufficient to enable qualified purchasers to—

"(A) acquire the eligible low-income housing from the current owner for a purchase price not greater than the preservation equity of the housing;

"(B) pay the debt service on the federally-assisted mortgage covering the housing;

"(C) pay the debt service on any loan for the rehabilitation of the housing;

"(D) meet project operating expenses and establish adequate reserves for the housing;

"(E) receive an adequate return (as determined by the Secretary) on any actual cash investment made to acquire the project;

"(F) in the case of a priority purchaser, receive an adequate reimbursement for transaction expenses relating to acquisition of the housing, subject to approval by the Secretary; and

"(G) in the case of an approved resident homeownership program, cover the costs of training for the resident council, homeownership counseling and training, the fees for the nonprofit entity or public agency working with the resident council and costs related to relocation of tenants who elect to move.

"(3) INCENTIVES.—

"(A) IN GENERAL.—For all qualified purchasers of housing under this subsection, the Secretary may provide assistance for an approved plan of action in the form of 1 or more of the incentives authorized under section 219(b), except that any residual receipts for the housing transfered to the selling owner shall be deducted from the sale price of the housing under subsection (b) or (c) and the incentive under such section 219(b)(7) may include an acquisition loan under section 241(f) of the National Housing Act.

"(B) PRIORITY PURCHASERS.—Where the qualified purchaser is a priority purchaser, the Secretary may provide assistance for an approved plan of action (in the form of a grant) for each unit in the housing in an amount, as determined by the Secretary, that does not exceed the present value of the total of the projected published fair market rentals for existing housing (established by the Secretary under section 8(c) of the United States Housing Act of 1937) for the next 10 years (or such longer period if additional assistance is necessary to cover the costs referred to in paragraph (2)).

"SEC. 221. MANDATORY SALE FOR HOUSING EXCEEDING FEDERAL COST LIMITS. 12 USC 4111.

"(a) IN GENERAL.—With respect to any eligible low-income housing for which the aggregate preservation rents determined under section 214(b) exceed the Federal cost limit, the owner shall offer the housing for sale to qualified purchasers as provided in this section.

"(b) RIGHT OF FIRST REFUSAL TO PRIORITY PURCHASERS.—

"(1) DURATION AND REQUIRED SALE.—For the 12-month period beginning upon the receipt by the Secretary of the second notice of intent under section 216(d) with respect to such housing, the owner of the housing may offer to sell and may sell the housing only to priority purchasers. If, during such period, a priority purchaser makes a bona fide offer to purchase the housing for a sale price not less than the preservation value of the housing determined under section 213(b)(2), the Secretary shall require the owner to sell the housing pursuant to such offer.

"(2) EXPRESSION OF INTEREST.—During the period under paragraph (1), priority purchasers shall have the opportunity to submit written notice to the owner and the Secretary stating their interest in acquiring the housing. Such written notice shall be in such form and include such information as the Secretary may prescribe.

"(3) INFORMATION FROM SECRETARY.—Not later than 30 days after receipt of any notice under paragraph (2), the Secretary shall provide such purchaser with information on the assistance available from the Federal Government to facilitate a transfer and the owner shall provide such purchaser with appropriate information on the housing, as determined by the Secretary.

"(c) RIGHT OF REFUSAL FOR OTHER QUALIFIED PURCHASERS.—If no bona fide offer to purchase any eligible low-income housing subject

to this section that meets the requirements of subsection (b) is made during the period under such subsection, during the 3-month period beginning upon the expiration of the 12-month period under subsection (b)(1), the owner of the housing may offer to sell and may sell the housing only to qualified purchasers. If, during such period, a qualified purchaser makes a bona fide offer to purchase the housing for a sale price not less that the preservation value of the housing determined under section 213(b)(2), the Secretary shall require the owner to sell the housing pursuant to such offer.

"(d) ASSISTANCE.—

"(1) FEDERAL COST LIMIT.—Subject to the availability of amounts approved in appropriations Acts, the Secretary shall, for approvable plans of action, provide to qualified purchasers assistance under section 8 of the United States Housing Act of 1937 sufficient to produce a gross income potential equal to the amount determined by multiplying 120 percent of the prevailing rents in the relevant local market area in which the housing is located by the number of units in the project (according to appropriate unit sizes), and any other incentives authorized under section 219(b) that would have been provided to a qualified purchaser under section 220.

"(2) ADDITIONAL ASSISTANCE.—From amounts made available under section 234(b), the Secretary may make grants to assist in the completion of sales and transfers under this section to any qualified purchasers. Any grant under this paragraph shall be in an amount not exceeding the difference between the preservation value for the housing (determined under section 213(b)(2)) and the level of assistance under paragraph (1) of this subsection.

"(3) SECURING STATE AND LOCAL FUNDING.—The Secretary shall assist any qualified purchaser of such housing in securing funding and other assistance (including tax and assessment reductions) from State and local governments to facilitate a sale under this section.

12 USC 4112.

"SEC. 222. CRITERIA FOR APPROVAL OF PLAN OF ACTION INVOLVING INCENTIVES.

"(a) IN GENERAL.—The Secretary may approve a plan of action for extension of the low-income affordability restrictions on any eligible low-income housing or transfer the housing to a qualified purchaser (other than a resident council) only upon finding that—

"(1) due diligence has been given to ensuring that the package of incentives is, for the Federal Government, the least costly alternative that is consistent with the full achievement of the purposes of this title;

"(2) binding commitments have been made to ensure that—

"(A) the housing will be retained as housing affordable for very low-income families or persons, low income families or persons, and moderate-income families or persons for the remaining useful life of such housing (as determined under subsection (c));

"(B) throughout such period, adequate expenditures will be made for maintenance and operation of the housing and that the project meets housing standards established by the Secretary under subsection (d), as determined by inspections conducted under such subsection by the Secretary;

"(C) current tenants will not be involuntarily displaced (except for good cause);

"(D) any increase in rent contributions for current tenants will be to a level that does not exceed 30 percent of the adjusted income of the tenant or the published existing fair market rent for comparable housing established under section 8(c) of the United States Housing Act of 1937, whichever is lower, except that the rent contributions of any tenants occupying the housing at the time of any increase may not be reduced by reason of this subparagraph (except with respect to tenants receiving section 8 assistance in accordance with subparagraph (E)(ii) of this paragraph);

"(E)(i) any resulting increase in rents for current tenants (except for increases made necessary by increased operating costs)—

"(I) shall be phased in equally over a period of not less than 3 years, if such increase is 30 percent or more; and

"(II) shall be limited to not more than 10 percent per year if such increase is more than 10 percent but less than 30 percent; and

"(ii) assistance under section 8 of the United States Housing Act of 1937 shall be provided, to the extent available under appropriation Acts, if necessary to mitigate any adverse effect on current income-eligible very low- and low-income tenants; and

"(F)(i) rents for units becoming available to new tenants shall be at levels approved by the Secretary that will ensure, to the extent practicable, that the units will be available and affordable to the same proportions of very low-income families or persons, low-income families or persons, and moderate-income families or persons (including families or persons whose incomes are 95 percent or more of area median income) as resided in the housing as of January 1, 1987 (based on the area median income limits established by the Secretary in February 1987), or the date the plan of action is approved, whichever date results in the highest proportion of very low-income families, except that this limitation shall not prohibit a higher proportion of very low-income families from occupying the housing; and

"(ii) in approving rents under this paragraph, the Secretary shall take into account any additional incentives provided under this subtitle;

"(G) future rent adjustments shall be—

"(i) made by applying an annual factor (to be determined by the Secretary) to the portion of rent attributable to operating expenses for the housing and by making changes in the annual authorized return under section 214; and

"(ii) subject to a procedure, established by the Secretary, for owners to apply for rent increases not adequately compensated by annual adjustment under clause (i), under which the Secretary may increase rents in excess of the amount determined under clause (i) only if the Secretary determines such increases are necessary to reflect extraordinary necessary expenses of owning and maintaining the housing; and

"(H) any savings from reductions in operating expenses due to management efficiencies shall be deposited in project reserves for replacement and the owner shall have periodic access to such reserves, to the extent the Secretary determines that the level of reserves is adequate and that the housing is maintained in accordance with the standards established under section 222(d); and

"(3) no incentives under section 219 (other than to purchasers under section 220) may be provided until the Secretary determines the project meets housing standards under subsection (d), except that incentives under such section and other incentives designed to correct deficiencies in the project may be provided.

"(b) IMPLEMENTATION.—Any agreement to maintain the low-income affordability restrictions for the remaining useful life of the housing may be made through execution of a new regulatory agreement, modifications to the existing regulatory agreement or mortgage, or, in the case of the prepayment of a mortgage or voluntary termination of mortgage insurance, a recorded instrument.

"(c) DETERMINATION OF REMAINING USEFUL LIFE.—

"(1) DEFINITION.—For purposes of this title, the term 'remaining useful life' means, with respect to eligible low-income housing, the period during which the physical characteristics of the housing remain in a condition suitable for occupancy, assuming normal maintenance and repairs are made and major systems and capital components are replaced as becomes necessary.

"(2) STANDARDS.—The Secretary shall, by rule under section 553 of title 5, United States Code, establish standards for determining when the useful life of an eligible low-income housing project has expired. The determination shall be made on the record after opportunity for an hearing.

"(3) OWNER PETITION.—The Secretary shall establish a procedure under which owners of eligible low-income housing may petition the Secretary for a determination that the useful life of such housing has expired. The procedure shall not permit such a petition before the expiration of the 50-year period beginning upon the approval of a plan of action under this subtitle with respect to such housing. In making a determination pursuant to a petition under this paragraph, the Secretary shall presume that the useful life of the housing has not expired, and the owner shall have the burden of proof in establishing such expiration. The Secretary may not determine that the useful life of any housing has expired if such determination results primarily from failure to make regular and reasonable repairs and replacement, as became necessary.

"(4) TENANT AND COMMUNITY COMMENT AND APPEAL.—In making a determination regarding the useful life of any housing pursuant to a petition submitted under paragraph (3), the Secretary shall provide for comment by tenants of the housing and interested persons and organizations with respect to the petition. The Secretary shall also provide the tenants and interested persons and organizations with an opportunity to appeal a determination under this subsection.

"(d) HOUSING STANDARDS.—

Regulations.

"(1) ESTABLISHMENT AND INSPECTION.—The Secretary shall, by regulation, establish standards regarding the physical condition in which any eligible low income housing project receiving

incentives under this subtitle shall be maintained. The Secretary shall inspect each such project not less than annually to ensure that the project is in compliance with such standards.

"(2) SANCTIONS.—

"(A) IN GENERAL.—The Secretary shall take any action appropriate to require the owner of any housing not in compliance with such standards to bring such housing into compliance with the standards, including—

"(i) directing the mortgagee, with respect to an equity take-out loan under section 241(f) of the National Housing Act, to withhold the disbursement to the owner of any escrowed loan proceeds and requiring that such proceeds be used for repair of the housing; and

"(ii) reduce the amount of the annual authorized return, as determined by the Secretary, for the period ending upon a determination by the Secretary that the project is in compliance with the standards and requiring that such amounts be used for repair.

"(B) CONTINUED COMPLIANCE.—To ensure continued compliance with the standards for a project subject to any action under subparagraph (A), the Secretary may also limit access of the owner to such amounts and use of such amounts for not more than the 2-year period beginning upon the determination that project is in compliance with the standards.

"(C) REMOVAL OF ASSISTANCE.—If, upon inspection, the Secretary determines that any eligible low income housing project has failed to comply with the standards established under this subsection for 2 consecutive years, the Secretary may take 1 or more of the following actions:

"(i) Subject to availability of amounts provided in appropriations Acts, provide assistance under sections 8(b) and 8(o) of the United States Housing Act of 1937 (other than project-based assistance attached to the housing) for any tenant eligible for such assistance who desires to terminate occupancy in the housing. For each unit in the housing vacated pursuant to the provision of assistance under this clause, the Secretary may, notwithstanding any other law or contract for assistance, cancel the provision of project-based assistance attached to the housing for 1 dwelling unit, if the housing is receiving such assistance.

"(ii) In the case of housing for which an equity take-out loan has been made under section 241(f) of the National Housing Act, declare such loan to be default and accelerate the maturity date of the loan.

"(iii) Declare any rehabilitation loan insured or provided by the Secretary (with respect to the housing) to be in default and accelerate the maturity date of the loan.

"(iv) Suspend payments under or terminate any contract for project-based rental assistance under section 8 of the United States Housing Act of 1937.

"(v) Take any other action authorized by law or the project regulatory agreement to ensure that the hous-

ing will be brought into compliance with the standards established under this subsection.

"(e) WINDFALL PROFITS.—The Secretary shall submit a report to the Congress not later than 90 days after the enactment of the Cranston-Gonzalez National Affordable Housing Act, evaluating the availability, quality, and reliability of data to measure the accessibility of decent, affordable housing in all areas where properties are eligible to submit a notice of intent to prepay under section 212. To prevent payment of windfall profits, the Secretary may make available incentive payments under section 219 or 220 only to owners in those rental markets where there is an inadequate supply of decent, affordable housing, if the Secretary determines that adequate data can be obtained to permit objective and fair implementation or where necessary to accomplish the other public policy objectives under this subtitle. The Secretary shall implement this subsection in a manner consistent with the process established by this subtitle.

12 USC 4113.

"SEC. 223. ASSISTANCE FOR DISPLACED TENANTS.

"(a) SECTION 8 ASSISTANCE.—Each low-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low income housing shall, subject to the availability or amounts provided under appropriations Acts, receive assistance under the certificate and voucher programs under sections 8(b) and 8(o) of the United States Housing Act of 1937. To the extent sufficient amounts are made available under appropriations Acts, in each fiscal year the Secretary shall reserve from amounts made available under section 234(a) of this Act or, if necessary, under section 5(c) of the United States Housing Act of 1937, such amounts as the Secretary determines are necessary to provide assistance payments for low-income families displaced during the fiscal year.

"(b) RELOCATION ASSISTANCE.—The Secretary shall coordinate with public housing agencies to ensure that any very low- or low-income family displaced from eligible low-income housing as the result of the prepayment of the mortgage (or termination of the mortgage insurance contract) on such housing is able to acquire a suitable, affordable dwelling unit in the area of the housing from which the family is displaced. The Secretary shall require the owner of such housing to pay 50 percent of the moving expenses of each family relocated, except that such percentage shall be increased to the extent that State or local law of general applicability requires a higher payment by the owner.

"(c) CONTINUED OCCUPANCY.—

"(1) IN GENERAL.—Each owner that prepays the mortgage (or terminates the mortgage insurance contract) on eligible low-income housing shall, as provided in paragraph (3), allow the tenants occupying units in such housing on the date of the submission of notice of intent under section 212 to remain in the housing for a period of 3 years, at rent levels (except for increases necessary for increased operating costs) existing at the time of prepayment.

"(2) PROVISION OF ASSISTANCE BY OWNER.—In any case in which the Secretary requires an owner to allow tenants to occupy units under paragraph (1), an owner may fulfill the requirements of such paragraph by providing such assistance necessary for the tenant to rent a decent, safe, and sanitary unit

in another project for the same period and at a rental cost to the tenant not in excess of the rental amount the tenant would have been required to pay in the housing of the owner, except that the tenant must freely agree to waive the right to occupy the unit in the owner's housing.

"(3) APPLICABILITY TO LOW-VACANCY AREAS AND SPECIAL NEEDS TENANTS.—The provisions of this subsection shall apply only to—

"(A) eligible low income housing located in a low-vacancy area (as such term is defined by the Secretary); and

"(B) tenants in any eligible low-income housing in any area who have special needs restricting their ability to relocate (including elderly tenants and tenants with disabilities), as determined under regulations established by the Secretary.

"(d) REQUIRED ACCEPTANCE OF SECTION 8 ASSISTANCE.—An owner who prepays the mortgage (or terminates the mortgage insurance contract) on eligible low-income housing and maintains the housing for residential rental occupancy may not refuse to rent, refuse to negotiate for the rental of, or otherwise make unavailable or deny the rent of a dwelling unit in such property to any person, or discriminate against any person in the terms, conditions, or privileges of rental of a dwelling (or in the provision of services or facilities in connection therewith), because the person receives assistance under section 8 of United States Housing Act of 1937.

"(e) REGIONAL POOLS.—In providing assistance under this section, the Secretary shall allocate the assistance on a regional basis through the regional offices of the Department of Housing and Urban Development. The Secretary shall allocate assistance under this section in a manner so that the total number of assisted units in each such region available for occupancy by, and affordable to, lower income families and persons does not decrease because of the prepayment or payment of a mortgage on eligible low-income housing or the termination of an insurance contract on such housing.

"SEC. 224. PERMISSIBLE PREPAYMENT OR VOLUNTARY TERMINATION AND MODIFICATION OF COMMITMENTS. 12 USC 4114.

"(a) IN GENERAL.—Notwithstanding any limitations on prepayment or voluntary termination under this subtitle, an owner may terminate the low-income affordability restrictions through prepayment or voluntary termination, subject to compliance with the provisions of section 223, under one of the following circumstances:

"(1)(A) The Secretary approves a plan of action under section 219(a), but does not provide the assistance approved in such plan during the 15-month period beginning on the date of approval.

"(B) After the date that the housing would have been eligible for prepayment pursuant to the terms of the mortgage (notwithstanding this subtitle), the Secretary approves a plan of action under section 220 or 221, but does not provide the assistance approved in such plan before the earlier of (i) the expiration of the 2-month period beginning on the commencement of the 1st fiscal year beginning after such approval, or (ii) the expiration of the 6-month period beginning on the date of approval.

"(C) The Secretary approves a plan of action under section 220 or 221 for any eligible low-income housing not covered by subparagraph (B), but does not provide the assistance approved

in such plan before the earlier of (i) the expiration of the 2-month period beginning on the commencement of the 1st fiscal year beginning after such approval, or (ii) the expiration of the 9-month period beginning on the date of approval.

"(2) An owner who intended to transfer the housing to a qualified purchaser under section 220 or 221, and fully complied with the provisions of such section, did not receive any bona fide offers from any qualified purchasers within the applicable time periods.

In the event that the purchaser under the plan of action is unable to consummate the purchase for reasons other than the failure of the Secretary to provide incentives, an owner may terminate the low-income affordability restrictions through prepayment or voluntary termination subject to the provisions of sections 220 and 221.

"(b) SECTION 8 RENTAL ASSISTANCE.—When providing rental assistance under section 8, the Secretary may enter into a contract with an owner, contingent upon the future availability of appropriations for the purpose of renewing expiring contracts for rental assistance as provided in appropriations Acts, to extend the term of such rental assistance for such additional period or periods necessary to carry out an approved plan of action. The contract and the approved plan of action shall provide that, if the Secretary is unable to extend the term of such rental assistance or is unable to develop a revised package of incentives providing benefits to the owner comparable to those received under the original approved plan of action, the Secretary, upon the request of the owner, shall take the following actions (subject to the limitations under the following paragraphs):

"(1) MODIFICATION OF COMMITMENTS.—Modify the binding commitments made pursuant to section 222(a)(2) that are dependent on such rental assistance.

"(2) TERMINATION OF PLAN OF ACTION.—Permit the owner to prepay the mortgage and terminate the plan of action and any implementing use agreements or restrictions, but only if the owner agrees in writing to comply with provisions of section 223.

At least 30 days before making a request under this subsection, an owner shall notify the Secretary of the owner's intention to submit the request. The Secretary shall have a period of 90 days following receipt of such notice to take action to extend the rental assistance contract and to continue the binding commitments under section 222(a)(2).

12 USC 4115.

"SEC. 225. TIMETABLE FOR APPROVAL OF PLAN OF ACTION.

"(a) NOTIFICATION OF DEFICIENCIES.—Not later than 60 days after receipt of a plan of action, the Secretary shall notify the owner in writing of any deficiencies that prevent the plan of action from being approved. If deficiencies are found, such notice shall describe alternative ways in which the plan may be revised to meet the criteria for approval.

"(b) NOTIFICATION OF APPROVAL.—

"(1) IN GENERAL.—Not later than 180 days after receipt of a plan of action, or such longer period as the owner requests, the Secretary shall notify the owner in writing whether the plan of action, including any revisions, is approved. If approval is withheld, the notice shall describe—

"(A) the reasons for withholding approval; and

"(B) the actions that could be taken to meet the criteria for approval.

"(2) OPPORTUNITY TO REVISE.—The Secretary shall subsequently give the owner a reasonable opportunity to revise the plan of action and seek approval.

"(c) DELAYED APPROVAL.—If the Secretary does not approve a plan of action within the period under subsection (b), the Secretary shall provide incentives and assistance under this subtitle in the amount that the owner would have received if the Secretary had complied with such time limitations. The preceding sentence shall not apply if the plan of action was not approved because of deficiencies. An owner may bring an action in the appropriate Federal district court to enforce this subsection.

"SEC. 226. RESIDENT HOMEOWNERSHIP PROGRAM. 12 USC 4116.

"(a) FORMATION OF RESIDENT COUNCIL.—Tenants seeking to purchase eligible low-income housing in accordance with section 220 shall organize a resident council for the purpose of developing a resident homeownership program in accordance with standards established by the Secretary. The resident council shall work with a public or private nonprofit organization or a public body (including an agency or instrumentality thereof). Such organization or public body shall have experience to enable it to help the tenants consider their options and to develop the capacity necessary to own and manage the housing, where appropriate, and shall be approved by the Secretary.

"(b) OTHER PROGRAM REQUIREMENTS AND LIMITATIONS.—

"(1) SALES TO RESIDENTS.—As a condition of approval of a plan of action involving homeownership program under this subtitle, the resident council shall prepare a workable plan acceptable to the Secretary for giving all residents an opportunity to become owners, which plan shall identify—

"(A) the price at which the resident council intends to transfer ownership interests in, or shares representing, units in the housing;

"(B) the factors that will influence the establishment of such price;

"(C) how such price compares to the estimated appraised value of the ownership interests or shares;

"(D) the underwriting standard the resident council plans to use (or reasonably expects a public or private lender to use) for potential tenant purchasers;

"(E) the financing arrangements the tenants are expected to pursue or be provided; and

"(F) a workable schedule of sale (subject to the limitations of paragraph (8)) based on estimated tenant incomes.

"(2) APPROVAL OF METHOD OF CONVERSION.—The Secretary shall approve the method for converting the housing to homeownership, which may involve acquisition of ownership interests in, or shares representing, the units in a project under any arrangement determined by the Secretary to be appropriate, such as cooperative ownership (including limited equity cooperative ownership) and fee simple ownership (including condominium ownership).

"(3) REQUIRED CONDITIONS.—The Secretary shall require that the form of homeownership impose appropriate conditions, including conditions to assure that—

"(A) the number of initial owners that are very low-income, lower income, or moderate-income persons at initial occupancy meet standards required or approved by the Secretary;

"(B) occupancy charges payable by the owners meet requirements established by the Secretary;

"(C) the aggregate incomes of initial and subsequent owners and other sources of funds for the project are sufficient to permit occupancy charges to cover the full operating costs of the housing and any debt service; and

"(D) each initial owner occupies the unit it acquires.

"(4) USE OF PROCEEDS FROM SALES TO ELIGIBLE FAMILIES.—The entity that transfers ownership interests in, or shares representing, units to eligible families, or another entity specified in the approved application, may use 50 percent of the proceeds, if any, from the initial sale for costs of the homeownership program, including improvements to the project, operating and replacement reserves for the project, additional homeownership opportunities in the project, and other project-related activities approved by the Secretary. The remaining 50 percent of such proceeds shall be returned to the Secretary for use under section 220, subject to availability under appropriations Acts. Such entity shall keep, and make available to the Secretary, all records necessary to calculate accurately payments due the Secretary under this paragraph.

"(5) RESTRICTIONS ON RESALE BY HOMEOWNERS.—

"(A) IN GENERAL.—

"(i) TRANSFER PERMITTED.—A homeowner under a homeownership program may transfer the homeowner's ownership interest in, or shares representing, the unit, except that a homeownership program may establish restrictions on the resale of units under the program.

"(ii) RIGHT TO PURCHASE.—Where a resident management corporation, resident council, or cooperative has jurisdiction over the unit, the corporation, council, or cooperative shall have the right to purchase the ownership interest in, or shares representing, the unit from the homeowner for the amount specified in a firm contract between the homeowner and a prospective buyer.

"(iii) PROMISSORY NOTE REQUIRED.—The homeowner shall execute a promissory note equal to the difference, if any, between the market value and the purchase price, payable to the Secretary, together with a mortgage securing the obligation of the note.

"(B) 6 YEARS OR LESS.—In the case of a transfer within 6 years of the acquisition under the program, the homeownership program shall provide for appropriate restrictions to assure that an eligible family may not receive any undue profit. The plan shall provide for limiting the family's consideration for its interest in the property to the total of—

"(i) the contribution to equity paid by the family;

"(ii) the value, as determined by such means as the Secretary shall determine through regulation, of any

improvements installed at the expense of the family during the family's tenure as owner; and

"(iii) the appreciated value determined by an inflation allowance at a rate which may be based on a cost-of-living index, an income index, or market index as determined by the Secretary through regulation and agreed to by the purchaser and the entity that transfers ownership interests in, or shares representing, units to eligible families (or another entity specified in the approved application), at the time of initial sale, and applied against the contribution to equity.

Such an entity may, at the time of initial sale, enter into an agreement with the family to set a maximum amount which this appreciation may not exceed.

"(C) 6-20 YEARS.—In the case of a transfer during the period beginning 6 years after the acquisition and ending 20 years after the acquisition, the homeownership program shall provide for the recapture by the Secretary or the program of an amount equal to the amount of the declining balance on the note described in subparagraph (A)(iii).

"(D) USE OF RECAPTURED FUNDS.—Any net sales proceeds that may not be retained by the homeowner under the plan approved pursuant to this paragraph shall be paid to the HOME Investment Trust Fund for the unit of general local government in which the housing is located. If the housing is located in a unit of general local government that is not a participating jurisdiction (as such term is defined in section 104 of the Cranston-Gonzalez National Affordable Housing Act), any such net sales proceeds shall be paid to the HOME Investment Trust Fund for the State in which the housing is located. With respect to any proceeds transferred to a HOME Investment Trust Fund under this subparagraph, the Secretary shall take such actions as are necessary to ensure that the proceeds shall be immediately available for eligible activities to expand the supply of affordable housing under section 212 of the Cranston-Gonzalez National Affordable Housing Act. The Secretary shall require the maintenance of any records necessary to calculate accurately payments due under this paragraph.

"(6) PROTECTION OF NONPURCHASING FAMILIES.—

"(A) EVICTION.—No tenant residing in a dwelling unit in a property on the date the Secretary approves a plan of action may be evicted by reason of a homeownership program approved under this subtitle.

"(B) RENTAL ASSISTANCE.—If a tenant decides not to purchase a unit, or is not qualified to do so, the Secretary shall ensure that rental assistance under section 8 is available for use by each otherwise qualified tenant (that meets the eligibility requirements under such section) in that or another property. The requirement for giving preference to certain categories of eligible families under sections 8(d)(1)(A) and 8(o)(3) of the United States Housing Act of 1937 shall not apply to the provision of assistance to such families.

"(C) RELOCATION ASSISTANCE.—The resident council shall also inform each such tenant that if the tenant chooses to

move, the owner will pay relocation assistance in accordance with the approved homeownership program.

"(7) QUALIFIED MANAGEMENT.—As a condition of approval of a homeownership program under this subtitle, the resident council shall have demonstrated its abilities to manage eligible properties by having done so effectively and efficiently for a period of not less than 3 years or by entering into a contract with a qualified management entity that meets such standards as the Secretary may prescribe to ensure that the property will be maintained in a decent, safe, and sanitary condition.

"(8) TIMELY HOMEOWNERSHIP.—Resident councils shall transfer ownership of the property to tenants within a specified period of time that the Secretary determines to be reasonable. During the interim period when the property continues to be operated and managed as rental housing, the resident council shall utilize written tenant selection policies and criteria that are approved by the Secretary as consistent with the purpose of providing housing for very low-income families. The resident council shall promptly notify in writing any rejected applicant of the grounds for any rejection.

"(9) RECORDS AND AUDIT OF RESIDENT COUNCILS.—

"(A) MAINTENANCE.—Each resident council shall keep such records as may be reasonably necessary to fully disclose the amount and the disposition by such resident council of the proceeds of assistance received under this subtitle (including any proceeds from sales under paragraphs (4) and (5)(D)), the total cost of the homeownership program in connection with which such assistance is given or used, and the amount and nature of that portion of the program supplied by other sources, and such other sources as will facilitate an effective audit.

"(B) ACCESS.—The Secretary shall have access for the purpose of audit and examination to any books, documents, papers, and records of the resident council that are pertinent to assistance received under this subtitle.

"(C) AUDIT.—The Comptroller General of the United States, or any of the duly authorized representatives of the Comptroller General, shall also have access for the purpose of audit and examination to any books, documents, papers, and records of the resident council that are pertinent to assistance received under this subtitle.

"(10) ASSUMPTION CONDITIONS.—Any entity that assumes, as determined by the Secretary, a mortgage covering low-income housing in connection with the acquisition of the housing from an owner under this section must comply with any low-income affordability restrictions for the remaining useful life of the housing as determined under section 222(d). This requirement shall only apply to an entity, such as a cooperative association, that, as determined by the Secretary, intends to own the housing on a permanent basis.

12 USC 4117.

"SEC. 227. DELEGATED RESPONSIBILITY TO STATE AGENCIES.

"(a) IN GENERAL.—In addition to any responsibilities delegated under section 213(c), the Secretary shall delegate some or all responsibility for implementing this subtitle to a State housing agency if such agency submits a preservation plan acceptable to the Secretary.

"(b) APPROVAL.—State preservation plans shall be submitted in such form and in accordance with such procedures as the Secretary shall establish. The Secretary may approve plans that contain—

"(1) an inventory of low-income housing located within the State that is or will be eligible low-income housing under this subtitle within 5 years;

"(5) an independent analysis of the performance of the multifamily housing inventory financed or otherwise monitored by the agency;

"(7) such other certifications or information that the Secretary determines to be necessary or appropriate to achieve the purposes of this subtitle.

"(c) IMPLEMENTATION AGREEMENTS.—The Secretary may enter into any agreements necessary to implement an approved State preservation plan, which may include incentives that are authorized under other provisions of this subtitle.

"(B) To be eligible for insurance under this paragraph, an equity loan shall—

"(i) be limited to an amount equal to the lesser of (I) 70 percent of the preservation equity in the project, as determined by the Secretary under such Act, or (II) the amount the Secretary determines can be supported by the project on the basis of an 8 percent return on the preservation equity (assuming normal debt service coverages); and

"(3)(A) For purposes of this section, the term 'acquisition loan' means a loan or advance of credit to a qualified purchaser of eligible low-income housing (as defined in section 231 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990) acquiring the housing under section 220 or 221 of such Act who agrees to extend the low-income affordability restrictions pursuant to an approved plan of action under such Act.

"(4) The provisions of subsections (d), (e), (g), (h), (i), (j), (k), (l), and (n) of section 207 shall be applicable to loans insured under this subsection, except that—

"(A) all references to the term 'mortgage' shall be construed to refer to the term 'loan' as used in this subsection;

"(B) loans involving projects covered by a mortgage insured under section 236 shall be insured under and shall be the obligations of the Special Risk Insurance Fund; and

"(C) with respect to any sale under foreclosure of a mortgage on the project that is senior to the equity loan insured under this subsection and when the equity loan is secured by a mortgage, the Secretary may—

SEC. 706. RURAL HOUSING LOAN GUARANTEES.

(B) many rural areas contain disproportionate amounts of substandard housing in need of repair, but lack the necessary funding and support to modernize such housing through preservation.

(2) PURPOSE.—The purpose of this section is to expand homeownership opportunities to low- and moderate-income residents of rural areas of the country through the establishment of guaranteed rural housing loans to be made available in rural locations where there is an insufficient availability of mortgage financing from other sources.

(b) GUARANTEED LOANS FOR HOUSING ACQUISITION.—Section 502 of the Housing Act of 1949 (42 U.S.C. 1472), as amended by the preceding provisions of this Act, is further amended by adding at the end the following new subsection:

program that the borrower is adequately prepared for the obligations of homeownership.

"(5) ELIGIBLE LENDERS.—Guaranteed loans pursuant to this subsection may be made only by lenders approved by and meeting qualifications established by the Secretary.

"(6) LOAN TERMS.—Loans guaranteed pursuant to this subsection shall—

"(i) for a first-time homebuyer, in any amount not in excess of 100 percent of the appraised value of the property as of the date the loan is accepted or the acquisition cost of the property, whichever is less, subject to the maximum dollar limitation of section 203(b)(2) of the National Housing Act; and

"(ii) for any borrower other than a first-time homebuyer, in an amount not in excess of the percentage of the property or the acquisition cost of the property that the Secretary shall determine, subject to the maximum dollar limitation of section 203(b)(2) of the National Housing Act, such percentage or cost in any event not to exceed 100 percent of the appraised value of the property as of the date the loan is accepted or the acquisition cost of the property, whichever is less.

"(7) GUARANTEE FEE.—With respect to a guaranteed loan under this subsection, the Secretary may collect from the lender at the time of issuance of the guarantee a fee equal to not more than 1 percent of the principal obligation of the loan.

"(8) REFINANCING.—Any guaranteed loan under this subsection may be refinanced and extended in accordance with terms and conditions that the Secretary shall prescribe, but in no event for an additional amount or term which exceeds the limitations under this subsection.

"(9) NONASSUMPTION.—Notwithstanding the transfer of property for which a guaranteed loan under this subsection was made, the borrower of a guaranteed loan under this subsection may not be relieved of liability with respect to the loan.

"(10) GEOGRAPHICAL TARGETING.—In providing guaranteed loans under this subsection, the Secretary shall establish standards to target and give priority to areas that have a demonstrated need for additional sources of mortgage financing for low and moderate income families.

SEC. 802. REVISED CONGREGATE HOUSING SERVICES PROGRAM.

(a) FINDINGS AND PURPOSES.—

(1) FINDINGS.—The Congress finds that—

(A) the effective provision of congregate services may require the redesign of units and buildings to meet the special physical needs of the frail elderly persons and the creation of congregate space to accommodate services that enhance independent living;

(B) congregate housing, coordinated with the delivery of supportive services, offers an innovative, proven, and cost-effective means of enabling frail older persons and persons with disabilities to maintain their dignity and independence;

(C) independent living with assistance is a preferable housing alternative to institutionalization for many frail older persons and persons with disabilities;

(D) 365,000 persons in federally assisted housing experience some form of frailty, and the number is expected to increase as the general population ages;

(E) an estimated 20 to 30 percent of older adults living in federally assisted housing experience some form of frailty;

(F) a large and growing number of frail elderly residents face premature or unnecessary institutionalization because of the absence of or deficiencies in the availability, adequacy, coordination, or delivery of supportive services;

(G) the support service needs of frail residents of assisted housing are beyond the resources and experience that housing managers have for meeting such needs;

(H) supportive services would promote the invaluable option of independent living for nonelderly persons with disabilities in federally assisted housing;

(I) approximately 25 percent of congregate housing services program sites provide congregate services to young individuals with disabilities;

(J) to the extent that institutionalized older adults do not need the full costly support provided by such care, public moneys could be more effectively spent providing the necessary services in a noninstitutional setting; and

(K) the Congregate Housing Services Program, established by Congress in 1978, and similar programs providing in-home services have been effective in preventing unnecessary institutionalization and encouraging deinstitutionalization.

(2) PURPOSES.—The purposes of this section are—

(A) to provide assistance to retrofit individual dwelling units and renovate public and common areas in eligible housing to meet the special physical needs of eligible residents;

(B) to create and rehabilitate congregate space in or adjacent to such housing to accommodate supportive services that enhance independent living;

(C) to improve the capacity of management to assess the service needs of eligible residents, coordinate the provision of supportive services that meet the needs of eligible residents and ensure the long-term provision of such services;

(D) to provide services in federally assisted housing to prevent premature and inappropriate institutionalization in a manner that respects the dignity of the elderly and persons with disabilities;

(E) to provide readily available and efficient supportive services that provide a choice in supported living arrangements by utilizing the services of an on-site coordinator, with emphasis on maintaining a continuum of care for the vulnerable elderly;

(F) to improve the quality of life of older Americans living in federally assisted housing;

(G) to preserve the viability of existing affordable housing projects for lower-income older residents who are aging in place by assisting managers of such housing with the difficulties and challenges created by serving older residents;

(H) to develop partnerships between the Federal Government and State governments in providing services to the frail elderly and persons with disabilities; and

(I) to utilize Federal and State funds in a more cost-effective and humane way in serving the needs of older adults.

(b) CONTRACTS FOR CONGREGATE SERVICES PROGRAMS.—

(1) IN GENERAL.—The Secretary of Housing and Urban Development and the Secretary of Agriculture (through Administrator of the Farmers Home Administration) shall enter into contracts with States, Indian tribes, units of general local government and local nonprofit housing sponsors, utilizing any amounts appropriated under subsection (n)—

(A) to provide congregate services programs for eligible project residents to promote and encourage maximum independence within a home environment for such residents capable of self-care with appropriate supportive services; or

(B) to adapt housing to better accommodate the physical requirements and service needs of eligible residents.

(2) TERM OF CONTRACTS.—Each contract between the Secretary concerned and a State, Indian tribe, or unit of general local government, or local nonprofit housing sponsor, shall be for a term of 5 years and shall be renewable at the expiration of the term, except as otherwise provided in this section.

(II) if approved under such section, accept coupons (as defined in section 3(e) of such Act) as payment from individuals to whom such meal services are provided; and

(ii) shall request, and use to provide such meal services, agricultural commodities made available without charge by the Secretary of Agriculture.

(B) PREFERENCE FOR NUTRITION PROVIDERS.—In contracting for or otherwise providing for meal services under this paragraph, each congregate services program shall give preference to any provider of meal services who—

The fees for meals shall be in the following amounts:

Residents eligible for services under this paragraph shall pay fees as provided under subsection (d).

(5) ELIGIBILITY OF NONRESIDENTS.—The Secretary may permit the provision of services to elderly persons and persons with disabilities who are not residents if the participation of such persons will not adversely affect the cost-effectiveness or operation of the program or add significantly to the need for assistance under this section.
